

Santiago Canyon College

Community Services Program

Student Learning Outcomes Survey for:

Backflow Prevention Device Repair

Thank you for attending a course or workshop through Santiago Canyon College's Community Services program. By completing the following survey you will be providing meaningful feedback to SCC about the quality of education delivered through our program. Additionally, information that you provide will allow SCC to determine if it is appropriately serving its local community.

Please indicate the degree to which you agree with the following statements:

1. Upon completion of this course, I understand more about how to test and repair backflow valves.

- Strongly Agree Agree Neither agree nor disagree Disagree Strongly Disagree

2. Upon completion of this course, I understand more about the importance of ethics and truthfulness in reporting backflow valve test results, repair, and maintenance and how it can impact the quality of the municipal water supply.

- Strongly Agree Agree Neither agree nor disagree Disagree Strongly Disagree
