Subject: Santiago Canyon College's 2016 Accreditation Follow-Up Report Draft Review

Sent on behalf of Corinna Evett, Santiago Canyon College Academic Senate President, and Dr. Aracely Mora, Santiago Canyon College Vice President of Academic Affairs:

SCC Community,

As you may recall, SCC received [affirmation of its accreditation from the Accrediting Commission for Community and Junior Colleges \(ACCJC\)](#) following the fall 2014 team visit. Additionally, the college was directed to submit a follow-up report addressing ACCJC's six recommendations by March 15, 2016. The Accreditation Task Force has completed a draft of the 2016 Accreditation Follow-Up Report. Attached, for your review and input, is a working draft of the document. Note: The **blue** text within the document represents placeholders for evidence that will be provided to support the statements made within the report.

If you have additional information that will further strengthen the college's responses to the team recommendations, please email your suggestions to Accreditation Task Force Co-Chairs, Corinna Evett and Aracely Mora by **December 11**. Your input will assist in further refining the document.

The [team report](#) and [recommendations](#) can be found on the SCC web site under the [Accreditation](#) tab.

Thank you for your assistance in reviewing the college's report.
