Subject: Approval for IEPI PRT assistance beginning in Spring 2017

Dear Jill, Jannett, Greg, Gari, Frank, and John,

The Institutional Effectiveness Partnership Initiative Executive Committee last week approved your institution for visits by a Partnership Resource Team (PRT) beginning in Spring 2017. I'm delighted to know that you will be joining in this statewide effort to improve our effectiveness! (Please note that we were unable to accommodate those of you who asked to begin the process in Fall because our slate of Fall initial visits was already completely full.)

I will be requesting a 45-minute phone conversation with you in October to kick off preparations for your initial visit. In the meantime, if you have any questions about the process, please don't hesitate to let me know.

I look forward to talking with you in October!

Matthew
