

Program Outcome Assessment 2017

Program SLO A Analysis

* 3. Program SLO A Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 4. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 5. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 6. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No
