# First Year Support Center E-307

## MISSION STATEMENT

---

The First Year Support Center is dedicated to supporting new students in their academic and social transition at Santiago Canyon College. To provide college skill sets and awareness of campus resources. To be able to integrate students into the college campus and community. To build and encourage students to be self-directive and advocate for their success inside and outside of the classroom.

### **Freshmen 101:**

Don't struggle through college!

Get your support system in place  
as soon as possible!

Visit the First Year Support Center  
and ensure your success here at SCC!
