On behalf of High School Outreach and the Basic Skills Initiative & Transformation (BSIT) committee, I would like to invite you to participate in our fifth annual SCC Family Night. This year, once again, we expect to host over 250 local high school seniors and their parents as we introduce them to the college.

As part of the program, there will be a 15-minute Meet and Greet where we hope that you and or representatives of your groups can come to chat with our guests. We will have tables set up for you to display any of your materials. If you would like to distribute handouts or flyers, that would be terrific.

The main program will occur in H106, and your tables will be set up along the outside perimeter, under the lights. Of course, there will be refreshments and balloons!

**DATE: Tuesday, November 15**

**MEET & GREET: 6:15-6:30PM (table set up beginning at 5:45PM)**

**THE PROGRAM: 6:30-8:15PM**

This year, rather than have some of you present PowerPoint slides for a few minutes during the main program, we will premiere our new 11-minute student programs and services video to showcase each of your areas. The production is in the last editing stages; as soon as I get the final version, I will send it out for you to enjoy.

As we have done for the last two years, we would like to include any handouts/brochures/flyers in the folders. If you could send those materials to me, we'll make copies and stuff the folders. If you are okay with the ones we used from last year, let me know. I still have those on file.

Please respond by Thursday, November 1, if you would like to participate in the 2016 SCC Family Night.

Certainly, our incoming students will benefit from learning about all of the many wonderful programs and services that SCC offers.

Thank you!

Maureen
