Event Details

Want to strengthen tutoring on your campus? Join us for a morning of dialog and activity around tutoring, professional learning, and how 3CSN can support your campus efforts to develop and expand tutorial services and programs.

This event is intended for faculty, staff, and administrators connected to tutoring on any campus within the California Community Colleges. Opportunities for networking and participating in the upcoming Tutor Expo '17 will also be shared.

The event will be in the Writing Center, which is Rooms 239/240 in the Humanities building. [Click here](#) for a map of the campus.

PARKING: There will be no ticketing in lots 6 and 7 from 9-Noon. Guests are asked to not park in staff, visitor, or ADA stalls (unless they have an ADA placard). The campus is generally quiet on Fridays, so finding parking should not be a problem.
