

Introduction

Welcome and thank you for your participation.

If you are accessing this survey, then you have been identified as responsible for reporting program student learning outcome assessment data for degree and certificate award programs within your discipline/department.

In order to complete this survey, you will need to access the program specific Program SLO Excel reports based off of the course-to-program SLO mapping information your discipline/department has provided to the Office of Institutional Effectiveness & Research. If you do not have the Program SLO Excel report you need for the program you would like to report information for, please contact your division office.

For assistance, please contact Aaron Voelcker at voelcker_aaron@sccollege.edu or (714) 628-4990.

Program Outcome Assessment 2017

Division Selection

* 1. Please select the division that your program is offered under.

- Arts, Humanities & Social Sciences
- Business & Career Technical Education
- Mathematics & Sciences
- Counseling & Student Services
- Continuing Education

Program Outcome Assessment 2017

Program Selection for Arts, Humanities & Social Sciences

* 2. What program in the Arts, Humanities & Social Sciences Division are you entering assessment information for?

Program Outcome Assessment 2017

Program Selection for Business & Career Technical Education

* 3. What program in the Business & Career Technical Education Division are you entering assessment information for?

Program Outcome Assessment 2017

Program Selection for Mathematics & Sciences

* 4. What program in the Mathematics & Sciences Division are you entering assessment information for?

Program Outcome Assessment 2017

Program Selection for Counseling & Student Services

* 5. What program in the Counseling & Student Services Division are you entering assessment information for?

Program Selection for Continuing Education

* 6. What program in the Continuing Education Division are you entering assessment information for?

Program SLO A Analysis

* 7. Program SLO A Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 8. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 9. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 10. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No

Program Outcome Assessment 2017

Program SLO A Plan of Action

- * 11. You have indicated that the criterion for success for Program SLO A was not met. Please list the mapped course-level SLOs that did not meet their respective targets in the text box below.

- * 12. Plan of Action:

Based on the analysis you have conducted for this program SLO, please indicate any plans you may have to improve students' achievement of this learning outcome.

Program Outcome Assessment 2017

On to Program SLO B

* 13. Do you have another program SLO to report on?

Yes

No

Program SLO B Analysis

* 14. Program SLO B Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 15. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 16. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 17. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No

Program Outcome Assessment 2017

Program SLO B Plan of Action

- * 18. You have indicated that the criterion for success for Program SLO B was not met. Please list the mapped course-level SLOs that did not meet their respective targets in the text box below.

- * 19. Plan of Action:

Based on the analysis you have conducted for this program SLO, please indicate any plans you may have to improve students' achievement of this learning outcome.

Program Outcome Assessment 2017

On to Program SLO C

* 20. Do you have another program SLO to report on?

Yes

No

Program SLO C Analysis

* 21. Program SLO C Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 22. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 23. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 24. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No

Program Outcome Assessment 2017

Program SLO C Plan of Action

- * 25. You have indicated that the criterion for success for Program SLO C was not met. Please list the mapped course-level SLOs that did not meet their respective targets in the text box below.

- * 26. Plan of Action:

Based on the analysis you have conducted for this program SLO, please indicate any plans you may have to improve students' achievement of this learning outcome.

Program Outcome Assessment 2017

On to Program SLO D

* 27. Do you have another program SLO to report on?

Yes

No

Program SLO D Analysis

* 28. Program SLO D Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 29. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 30. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 31. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No

Program Outcome Assessment 2017

Program SLO D Plan of Action

- * 32. You have indicated that the criterion for success for Program SLO D was not met. Please list the mapped course-level SLOs that did not meet their respective targets in the text box below.

- * 33. Plan of Action:

Based on the analysis you have conducted for this program SLO, please indicate any plans you may have to improve students' achievement of this learning outcome.

Program Outcome Assessment 2017

On to Program SLO E

* 34. Do you have another program SLO to report on?

Yes

No

Program SLO E Analysis

* 35. Program SLO E Information

How many course-level SLOs have been mapped to this program SLO?

How many mapped course-level SLOs have been assessed?

How many mapped course-level SLOs did students meet the established criteria for success (target)?

* 36. Criterion for Success:

We are now asking you to establish a criterion for success for this program SLO. What proportion (%) of mapped course-level SLOs would be appropriate to determine that students are performing well on this program SLO?

0% 100%

* 37. Findings:

Of all of the assessed course-level SLOs for this program outcome, what proportion (%) met the established criteria for success (target)? This would be the number of "met" course-level SLOs divided by the number of assessed course-level SLOs.

0% 100%

* 38. Comparing the program SLO criterion for success with the findings you've reported above, was the criterion for success met?

Yes

No

Program Outcome Assessment 2017

Program SLO E Plan of Action

- * 39. You have indicated that the criterion for success for Program SLO E was not met. Please list the mapped course-level SLOs that did not meet their respective targets in the text box below.

- * 40. Plan of Action:

Based on the analysis you have conducted for this program SLO, please indicate any plans you may have to improve students' achievement of this learning outcome.
