# Santiago Canyon College Collegial Governance Framework

Framework approved by College Council on 7/8/2014

# **SANTIAGO CANYON COLLEGE COLLEGIAL GOVERNANCE**

## **Goal**

To fully implement the AB 1725 participatory governance regulations in a spirit of collegiality, Santiago Canyon College has developed a structure of councils, committees, ad hoc groups, and task forces. The constituent groups will be the Faculty (Academic Senate), Administration, Classified (CSEA), and Students (ASG).

## **Design of the Structure**

The structure is designed to ensure the constituent groups the right to participate effectively in the Rancho Santiago Community College District and Santiago Canyon College governance, the opportunity to express their opinions at the college level, and assurance that these opinions are given every reasonable consideration.

## **Duties of the Constituent Groups**

The councils and committees will gather information, deliberate, report, and formulate recommendations regarding policies and procedures, which will be forwarded to the Academic Senate, the President of Santiago Canyon College, and the Board of Trustees.

None of the decisions of the groups shall be construed to impinge upon the statutory rights granted by Title V sections governing the participation rights of any group, including collective bargaining, faculty, staff, students, community members, or trustees.

## **Purpose of the Manual**

The purpose of this manual is to explain and maintain the principles, organizational structure, reporting relationships, operating procedures, mission, duties, and membership composition of the Santiago Canyon College constituency groups. This living document undergoes periodic review and revision.

## **PRINCIPLES**

1. All members of the college constituency groups are allowed equal and ample opportunity to participate fully in governance activities.
2. All members of the college constituency groups are encouraged to participate in the governance activities.
3. The number and size of councils and committees is to be kept as small as possible.
4. It is essential that the schedule of meeting times for all councils and committees accommodate the schedules of faculty, staff, and student members.
5. Each council and committee will review its goal(s) annually in Spring in relation to the college mission. Each committee will issue a progress report to its respective council, and each council will then make an annual progress report.
6. Each appointing body will choose its representative(s) and a named alternate to the councils, committees, and task forces. The named alternate shall receive all agendas and minutes and shall be kept informed about council actions and discussion.
7. All meetings of all governance councils, committees, ad hoc groups, and task forces are to be open and allow for “public” comments.
8. The formation and/or modification of any permanent committees within the governance structure are the responsibility of the College President and the Academic Senate with College Council approval. Individual councils may form ad hoc groups and task forces for specific purposes and timeframe as needed.
9. All councils/committees will be provided with adequate clerical support by the responsible manager or administrator.
10. All councils and committees will conduct their business according to group-developed rules, including a quorum, which is made up of a simple majority.
11. At the beginning of each academic year, newly elected council chairs will coordinate a calendar of meeting dates.
12. All councils and committees will publish agendas prior to each meeting and distribute minutes in a timely manner. To insure that information on councils be made public within two weeks, when necessary, minutes marked “DRAFT” will be distributed until the officially approved minutes can be made available. Copies of current agendas and minutes will be kept on file on the college web site.
13. The President’s office will assure that all councils and committees forward agendas and minutes to the President and the SCC web master for publication and archival collection on the SCC web site.

## **STAFFING OF COUNCILS AND COMMITTEES**

By the end of the spring semester of each academic year, constituent groups will have solicited interest, made appointments, and notified representatives and alternates of their council and committee memberships for the following academic year.

The appointing groups, Academic Senate, CSEA, ASG, and Administration will provide written notification to the current councils and committees of all appointments where appropriate.

All chairs with the exception of the President (ex-officio) are voting members of that council or committee.

It is the responsibility of the current chairs of councils and committees to convene the first meeting as early as possible in the next academic year and hold annual elections.

It is the responsibility of the chairs to notify the appointing group(s) of a need for a replacement in the case of excessive nonattendance or resignation of any designated council/committee member.

# **ORGANIZATION**

## **Relationships**

The Collegial Governance Framework on page one represents the official Collegial Governance structure of Santiago Canyon College and reflects the relationships between the various entities.
