

Course SLOs And Assessments					
Division	Department	Course	Outcome	Assessment	Summary of Data/Analysis/PoA
Business & Career Technical Ed.	Career Education Department	ASV 125	Students who successfully complete this course should be able to read, explain and articulate a variety of plans and specifications used in major project surveys.	Students will be graded on a standard grading scale as follows: 90-100%=A, 80-89%=B, 70-79%=C, 60-69%=D, below 60%=F; graded activities: group projects, homework, quizzes, examinations, written assignments, observation and evaluation of attitudes and actions, and observation and evaluation of manipulative skills.	Apprenticeship students are testing on a weekly basis and must master the skills to move on. At the end of each semester they are given a comprehensive exam and a final grade. Based on the scores, 10 students enrolled in the class; 10=A. Success and retention rates are 100%. No further action required.
