<p>Students will be able to demonstrate the safe, appropriate and legal use of Pepper Spray in a training setting.</p> <p>Students should be able to list the use of various inter-agency cooperation resources for examples of situations a Code Enforcement Officer might encounter.</p>	<p>85% or higher of the students will obtain a letter grade of C or higher by demonstrating a safe practical approach to controlling a potentially dangerous situation</p> <p>A class room exercise will test the students learning ability to apply a Code Enforcement field practice technique in real time. A success rate will be measured.</p> <p>The desired outcome is 90% will pass the class exercise.</p>	<p>20 students completed the class exercise. The class average was 100%</p>	<p>The results exceeded the instructor's expectations. A class average increase of 10% above the instructor's desired outcome was proven to be highly effective.</p> <p>This observation shows the effectiveness of practicing a hands on real time class room exercise.</p>	<p>This next time this class is offered the same measures will be applied to determine the validity of these results. The course schedule for this class is yet to be determined.</p>
