General Information (Course Student Learning Outcomes Assessment)

Standing Requirements

📖 Course Description

Provides information and a discussion forum related to current and relevant health and safety topics issues and/or concerns. Students will use teamwork research techniques decision making and communication skills to enhance learning.

📖 Course Student Learning Outcomes

SAFE 200 Health and Safety Awareness & Application Outcome Set

Outcome

Outcome

Outcome 1
Be health and safety conscious.

Outcome 2
Share health and safety awareness, plans, attitudes and techniques with others.

Mapping

Institutional Student Learning Outcomes: Act 3, Communicate 2, Learn 1, Learn 3, Think 2, Think 3

2014-2015 Assessment Cycle

Measurements

Outcomes and Measures

SAFE 200 Health and Safety Awareness & Application Outcome Set

Outcome

Outcome 1

Be health and safety conscious.

▼ **Measure: SLO 1**
Course level; Indirect - Survey

Description of Measurement Tool: Student self-report as recorded on a survey.

Criteria for Success: Individual & Collective Student Criterion: A successful student is one who reports a minimum score of 3 out of 5 on each survey question. A class is successful if 60% of the class achieves the outcome

Cycle of Assessment: The outcome is assessed each fall semester.

Who is Responsible for Assessment Activity?: The instructor of record is responsible for the assessment activity. The program coordinator is responsible for compiling the data and sharing the results.

Outcome 2

Share health and safety awareness, plans, attitudes and techniques with others.

▼ **Measure: SLO 2**
Course level; Indirect - Survey

Description of Measurement Tool: Student self-report as recorded on a survey.

Criteria for Success: Individual & Collective Student Criterion: A successful student is one who reports a minimum score of 3 out of 5 on each survey question. A class is successful if 60% of the class achieves the outcome

Cycle of Assessment: The outcome is assessed each fall semester.

Who is Responsible for Assessment Activity?: The instructor of record is responsible for the assessment activity. The program coordinator is responsible for compiling the data and sharing the results.

Finding per Measure

SAFE 200 Health and Safety Awareness & Application Outcome Set

Outcome

Outcome 1

Be health and safety conscious.

▼ **Measure: SLO 1**
Course level; Indirect - Survey

Description of Measurement Tool: Student self-report as recorded on a survey.

Criteria for Success: Individual & Collective Student Criterion: A successful student is one who reports a minimum score of 3 out of 5 on each survey question. A class is successful if 60% of

the class achieves the outcome

Cycle of Assessment: The outcome is assessed each fall semester.

Who is Responsible for Assessment Activity?: The instructor of record is responsible for the assessment activity. The program coordinator is responsible for compiling the data and sharing the results.

Findings for SLO 1

Summary of Findings: Five sections participated in the survey. Seventy-one (71) total students were measured. Sixty-seven (67), or 94.4%, met the established individual criterion.

Results: Criteria for Success Achievement Status: Exceeded

Analysis of Findings: The students are meeting this criterion of the course.

Recommendations: Continue the same method of evaluation in fall 2015.

Outcome 2

Share health and safety awareness, plans, attitudes and techniques with others.

▼ **Measure: SLO 2**
Course level; Indirect - Survey

Description of Measurement Tool: Student self-report as recorded on a survey.

Criteria for Success: Individual & Collective Student Criterion: A successful student is one who reports a minimum score of 3 out of 5 on each survey question. A class is successful if 60% of the class achieves the outcome

Cycle of Assessment: The outcome is assessed each fall semester.

Who is Responsible for Assessment Activity?: The instructor of record is responsible for the assessment activity. The program coordinator is responsible for compiling the data and sharing the results.

Findings for SLO 2

Summary of Findings: Five sections participated in the survey. Seventy-one (71) total students were measured. Fifty-seven (57), or 80.3%, met the established individual criterion.

Results: Criteria for Success Achievement Status: Exceeded

Analysis of Findings: The students are meeting this criterion of the course.

Recommendations: Continue the same method of evaluation in fall 2015.
