

# MASTER TECHNICAL ADVISORY COMMITTEE

## PLEASE JOIN US...

Your support is important to our college, and especially to our students. It is through your input regarding curriculum content, the status of the industry, and employment trends, that our students benefit. To gather this information, we are hosting a Master Technical Advisory Committee for our programs on February 21, 2020.

Registration, refreshments and networking begin at 7:30am. The general session begins promptly at 8:00am, followed by breakouts according to discipline. A parking pass will be provided in advance to those who RSVP.

## DETAILS:

**Friday, February 21, 2020**
