

Counseling - Description of Services

Counseling services include:

- Career exploration and university transfer information
- Career development for undecided majors
- Interpretation for placement recommendations in English, Reading, and Math
- One-to-one individual counseling offered in-person and online
- Educational planning and course selection
- Referral to campus resources
- Application workshops for Cal State and University of California
- New student orientations

Counselors are also available to help students:

- Develop optimal abbreviated and comprehensive student education plans
- Assess interests and abilities

- Find a new approach to problems
- Increase sensitivity to others
- Learn how to change self-defeating habits and attitudes
- Recognize style, purposes, and values
- Help students who are having academic or personal difficulties
- Clarify thinking

**For more information, please call the Counseling Center at (714) 628-4800
or visit us in room D-106.**
