2018-2019 Academic Year

Associate of Science for Transfer: Business Administration (31365)

The Associate in Science in Business Administration for Transfer degree provides students with a comprehensive business education in the principles and practices of all phases of business. A student graduating with an Associate in Science in Business for Transfer may transfer to a four-year institution to complete a Bachelor's Degree. Successful completion of the transfer degree in business administration guarantees the student acceptance to the California State University system to pursue a baccalaureate degree in the field of business, industry or government.

Learning Outcome(s)

Upon successful completion of the major requirements for this degree: students will be able to

- Transfer to a four-year institution
- Have a broad background in the fundamentals of business leading to a career in management: finance, teaching or entrepreneurship
