

2018-2019 Academic Year

Associate in Arts for Transfer: Elementary Teacher Education (31735)

The Associate in Arts in Elementary Teacher Education for Transfer degree is designed to prepare students for seamless transfer to a California State University traditional or integrated teacher preparation program, most commonly found in the Liberal Studies major. It incorporates the elementary subject matter competence requirements as established by the California Commission for Teacher Credentialing. The AA-T degree program requirements and the recommended electives prepare students in content areas for the California Subject Examinations for Teachers (CSET) of Multiple Subjects. Additionally, the degree curriculum may also serve as preparation for paraprofessional positions in the K-12 classroom and other educational programs.

Learning Outcome(s)

Upon successful completion of the major requirements for this degree, students will be able to

- Identify elements of diversity and diverse learning styles in student populations and discover how teachers and schools can promote learning for all students
- Demonstrate proficiency in 14 content areas required for subject matter competency for elementary teachers

California State University campuses have preferences on which List C courses should be chosen.

California State University Fullerton prefers one of the following:
ANTH 104 or ENGL 270 or ENGL 231, 232, 241, or 242

California State University Long Beach prefers these courses:
ETHN 101, EDUC 204, and PHIL 106 or 108 or 112.

At SCC MATH 105 is a prerequisite to MATH 203 and may reduce the number of elective units in List C to 5 units.
