NEW BUSINESS		
1. 2020 Vision for Student Success Workshops: Eden Quimzon, Mary Mettler, John Hernandez 2. Counseling Intervention Workshops: Jennifer Coto 3. BSI Proficiency Performance Report Presentation: Nga Pham	<ul style="list-style-type: none"> John, Eden and Mary attended the one day 2020 Vision for Student Success Workshop initiated by the Community College League of California. Goal is to improve California's community college completion rate by 1 million by the year 2020. RSCCD Trustee David Chapel served on the 33 member commission that prepared the report. John gave a brief overview of the "Draft Report Recommendations" which was distributed. Ruth gave a brief history of the counseling intervention process. Jennifer presented the PowerPoint on the Counseling Intervention Workshops for probationary students. Notification of probation is send via e-mail rather than U.S. mail. There were 300 students that attended the workshop this Fall semester. Nga presented a PowerPoint and reviewed highlights of the BSI Proficiency Performance Report. 2007 was the 1st year we began to compile data. Apprenticeship may skew the results of percentages. State reports do not ask for pre collegiate vs. collegiate class information.
