1. BSI Task Force Updates – Maureen Roe	<ul style="list-style-type: none"> • We are required to address the following questions from the Basic Skills State Plan, report is due 10/10/13: <ul style="list-style-type: none"> ○ How is your college assessing how it uses its BSI funds and how these funds are related to your college’s EMP? ○ What are the problems your college is still facing in the area of ESL/Basic Skills? What are the obstacles that you need assistance with from 3CSN (California Community College’s Success Network) and/or the Chancellor’s Office? ○ What is your action plan for research to evaluate your programs and if/how your BSI funds have helped? <p>Also, after analyzing the data for English, ACE, and math, we have to address this: Was your college’s basic skills program more successful in 2010-2012 than it was in 2008-2010? How did you determine the answer? How did you measure the success? The Basic Skills Task Force will be working this summer to begin to construct the report.</p> <p>Maureen and Alison Williams worked the “Fun Zone” (created by Maureen & Alison) and attended workshops at the On Course Conference on April 25-27 held at the Hilton in Costa Mesa.
