Santiago Canyon College is a learning community dedicated to intellectual and personal growth. Our purpose is to foster a learning environment, which develops knowledge, critical thinking, sound decision making, cultural awareness, and effective communication skills.

Santiago Canyon College offers a comprehensive curriculum that includes university transfer as well as associate degree programs. We also provide community services, technical certificate programs, non-credit courses, workforce education and basic skills instruction. We are committed to providing a full range of support services for our diverse student population. Our schedules are designed to accommodate the needs of full- and part-time students including those with family and career responsibilities. The learning experience at Santiago Canyon College encourages a spirit of cooperation complemented by independent thinking.
