Resolution F2011.7

Resolution in Support of the Honors Program Advisory Committee (HPAC) to Become a Senate Approved Honors Program Committee

Moved: James Granitto
Seconded: Elizabeth Elchlepp

Whereas, the Honors Program Advisory Committee (HPAC) serves to direct and regulate the Honors program at Santiago Canyon College (SCC) by giving guidance relative to grading, prerequisites, curriculum, and offerings in addition to raising awareness of and encouragement toward academic scholarship and excellence;

Whereas, the honors program provides a unique academic opportunity with an enriched environment to our students and as such has been, is, and will continue to be a signature program at SCC serving in excess of 200 students;

Whereas, the HPAC should take a defined place under the governance structure allowing for a more formalized relationship with the college community, insuring a formalized structure and a representative membership;

Whereas, the honors program should remain a faculty run academic program;

Resolved, That the Academic Senate of Santiago Canyon College acknowledge the Honors Program Committee as a formal Senate committee; and

Resolved, That the Academic Senate of Santiago Canyon College adopt the attached committee description for the newly formed Honors Program Committee.

Date Presented: 29 November 2011
