MATH	N06L	Essential Mathematics Math Lab																																
MATH	N48	Pre-Algebra/Algebra Basics																																
MATH	N55	Beginning Algebra																																
MATH	N60	Elementary Algebra																																
MATH	N73L	Math Review																																
MATH	030	Coping with Math Anxiety																																
MATH	070	Geometry																																
MATH	080	Intermediate Algebra																																
MATH	086	Intermediate Algebra for Statistics and Liberal Arts																																
MATH	105	Mathematics for Liberal Arts Students																																
MATH	140	College Algebra																																
MATH	150	Calculus for Biological, Management and Social Sciences																																
MATH	160	Trigonometry																																
MATH	170	Pre-Calculus Mathematics																																
MATH	180	Single Variable Calculus I																																
MATH	180H	Honors Single Variable Calculus I																																
MATH	185	Single Variable Calculus II																																
MATH	199	Mathematics Independent Study																																
MATH	203	Fundamental Concepts of Elementary Mathematics																																
MATH	219	Statistics and Probability																																
MATH	219H	Honors Statistics and Probability																																
MATH	280	Intermediate Calculus																																
MATH	287	Introduction to Linear Algebra and Differential Equations																																
MATH	290	Linear Algebra																																
MATH	295	Differential Equations																																

Courses in red font also have an accompanying Math Lab course (e.g., Math 030L, Coping with Math Anxiety Math Lab.) The lab course is not listed above for brevity.
