**IMPORTANT INFORMATION AND FOOTNOTES**

All courses on IGETC must be completed with a grade of "C" or better. Grades of "C-" are not acceptable. Each course acceptable for IGETC must have a minimum 3semester or 4 quarter unit value. Students wishing to use a course to meet an IGETC requirement must be sure that the course is on the IGETC list during the academic year when it is taken.

- (F') Course approval beginning year indicated
- \*UC credit may be limited. (1) No credit given for an introductory course if taken after more advanced college course, (2) credit may be limited for courses with overlapping content, (3) duplicate credit will not be awarded for both the Honors and regular version of a course.
- \*\*Courses taken at regionally accredited colleges or universities that are not part of the California Community College system can meet general education requirements on the IGETC/Plan C. Approval of IGETC general education placement is done by the Articulation Officer via the "Pass Along" review process, see page 47 of the SCC Catalog for more details.
- Certification is not a UC admission requirement.

**What if I have a mixture of quarter and semester units, how is this calculated for IGETC certification?**

It will be calculated to the student's advantage per Area, using either semester or quarter units. To convert semester units to quarter units multiply the semester units by 1.5 (3 semester units x 1.5 = 4.5 quarter units). To convert quarter units to semester units, divide the quarter units by 1.5 (4.5 quarter units /1.5 = 3 semester units).

**Requirements are subject to change. Please work with an SCC counselor to develop a student educational plan that includes major preparation.**
