Petition for Academic Renewal Without Course Repetition AB 705

Student Name: _____ Student ID#: _____
(Last) (First)

Phone: _____ E-Mail: _____

I understand that any academic work alleviated through Academic Renewal does not remove substandard grades from my transcript. I am aware that grades are noted and subtracted from the grade point average (GPA) and that all grades will remain legible, maintaining a true and complete record. I acknowledge that any alleviated coursework may not be treated similarly by other educational institutions outside of the Rancho Santiago Community College District (RSCCD). I confirm that all of the information I have presented below is true and accurate. I understand that all decisions are final.

IMPORTANT INFORMATION REGARDING THIS PETITION:

As a result of AB705, a student may seek grade alleviation without course repetition when the substandard work occurred in an English or Mathematics course that is part of a remedial (pre-transfer level) sequence OR in an ACE or EMLS course that is part of the sequence leading to transfer-level English (CSU GE area A2 or IGETC GE area 1A) once the student has successfully passed the transfer-level course, regardless of the student's overall academic record since the semester in which the "D", "F", or "NP" was earned. When Academic Renewal Without Course Repetition occurs under this section, the student's permanent academic record shall be annotated in such a manner that all work remains legible, ensuring a true and complete academic history. The units alleviated in this scenario shall not be counted as part of the maximum 30 units of substandard work allowed under the first provision of AR 4240. A student seeking alleviation under this scenario will be eligible for alleviation subject to these limitations

Select which of the following criteria you satisfy:

- If a student received a grade of "C" or better or "P" in a transfer-level English course (CSU GE area A2 or IGETC GE area 1A APPROVED course), the highest grade earned shall be used when computing the student's cumulative grade point average. Grades earned in courses in a remedial English sequence pre-requisite to a transfer-level course may only be alleviated once the student earns a satisfactory grade ("C" or better or "P") in the transfer-level course. Neither the student's academic record since earning the "D", "F", or "NP" grade nor the time elapsed since earning the "D", "F", or "NP" is relevant to this scenario.
□ If a student received a grade of "C" or better or "P" in a transfer-level Mathematics or Quantitative Reasoning course (CSU GE Area B4 or IGETC GE 2A approved course), the highest grade earned shall be used when computing the student's cumulative grade point average. Grades earned in courses in a remedial Math sequence pre-requisite to a transfer-level Mathematic or Quantitative Reasoning course may only be alleviated once the student earns a satisfactory grade ("C" or better or "P") in the transfer-level course. Neither the student's academic record since earning the "D", "F", or "NP" grade nor the time elapsed since earning the "D", "F", or "NP" is relevant to this scenario.
