### Student Responsibility to Drop Classes

Students must drop a course by the end of the second week of instruction (full semester courses only) in order to avoid a financial obligation to the college. Students who have enrolled for classes and decide not to attend must drop classes by Sunday, February 10, 2013, to avoid a “W” grade. You must drop your course online. Check your schedule to verify that the transaction was successfully completed. You are only eligible for a refund if you drop by February 10, 2013.

**Attention!** Even if you stop attending the class, you owe the fees unless you drop the class before Sunday, February 10, 2013.

**Short Term Sections:** Please check section info for specific dates.

### Manage My Wait List—This is the Student’s Responsibility

- Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat— you may only add yourself to the wait list.
- It is your responsibility to check your email daily to see if you have been moved from the wait list into an open seat. View your class schedule.
- When students are dropped for non-payment, seats may become available. Students on the wait list WHO ARE ELIGIBLE FOR THE CLASS will be rolled automatically into the open seats. An email will be sent to you when this happens. **You have 2 days to pay. Failure to pay on time causes you to lose the class and a place on the wait list.**
- If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and never roll into an open seat.
- Online classes do not always allow wait listing. Most online courses overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. **DO NOT EMAIL THE INSTRUCTOR.** You will not receive a reply.
- Some wait lists may have a maximum limit. If you cannot add to the wait list, then it must be full. Look for an open seat later.
- Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

### REMINDER—You Will Not Be Rolled Over If:

- You do not meet the prerequisite
- (make sure your waiver has been entered by Counseling)
- This is your 3rd repeat
- You need an overload petition! (>18 units)
- There is a class conflict

### Closed Classes/Classes Requiring an Add Authorization Code

If the class you’d like to register for is closed, place yourself on the wait list, if it is available. Otherwise, once the course begins, the registration system will require an Add Authorization code in order to register, which you must obtain from the instructor.

You may attend the first class meeting to ask the instructor for an ADD Authorization Code (AAC). If the instructor gives you an Add Code, follow the instructions to register for the course by the stated deadline. (3 day maximum)

If you have any further questions regarding Add Codes, contact the Admissions Office at 714-628-4901.

---

See page 47 for all class locations. Register online at www.sccollege.edu.

WHAT is testing?
To assist you in successfully reaching your education goals, we request that most students complete assessment or placement testing in English, Reading and Math. This enables us to counsel you as to the appropriate English, Reading and Math courses you should take.

There are two English tests. The College Test for English Placement (CTEP) is for students who have studied English and/or ESL (English as a Second Language) in school for at least seven years or who use English frequently on a daily basis. The other test, the Test of English Language Development (TLD) is for students who have not studied English and/or ESL in school for at least seven years or who do not use English frequently on a daily basis. Students taking the TELD will be referred to ACE (American College English) classes. Students who take the wrong test may be placed in a class that is not right for them. By the time you and the teacher realize you are in the wrong class, it may be too late to register for the appropriate class.

The Math Diagnostic Testing Project (MDTP) has four different levels. You will be asked to select the level you feel you are best prepared for. Sample questions for each test are available in the Placement Testing Center and in the Counseling Center.

WHO should complete testing?
Any student who: plans to accumulate 15 or more units at SCC or SAC; plans to enroll in an English, reading, or math course; plans to complete an Associate degree, certificate, or transfer to a four-year university; is formulating career interests, plans or goals; is preparing for a new career; or is undecided about educational goals.

WHAT if I already tested?
Your test scores in English are valid for two years. If you tested more than two years ago and have not taken an English or ACE class at SCC or SAC you must test again. If you tested within the last two years you must have authorization from a faculty member to retest.

Reading scores will remain valid indefinitely. If you wish a retest you will be required to wait one year unless you have authorization from a faculty member.

Your test scores in Math are good for one year. If you tested more than one year ago and have not taken a math class at SCC or SAC you must retest. You may take a different level math test at any time. You may not take the same level math test more than once in any semester.

Continuing students who need to retest should schedule an appointment as soon as possible.

WHAT if I tested at another college?
If you tested within the last two years in English, last year in math, or anytime in reading, bring official copies of placement test results in English, Reading and/or Math to the Counseling Center (D-106) at Santiago Canyon College as soon as possible to determine whether it is necessary to complete testing at RSCCD or whether your eligibility can be verified and you can be cleared for registration. Placement test information from other colleges must include: your name, name of the test(s), the raw score(s), and test date(s).

ESL test scores from other institutions are not accepted. In addition, ESL students who have completed ESL credit courses at other colleges and are still in need of additional English as a Second Language instruction, must also take the placement test at SCC. This is done so that we can determine which of our courses best meet your needs.

If your test scores are over two years old in English, or one year old in math, or if you are applying for a special program which requires testing at SCC, you will need to re-test.

HOW do I complete testing?
1. New students must first apply to the college.
2. Students who apply early will be referred to the Testing Center to schedule a priority test appointment. Priority testing appointments are given on a first-come first-served basis. Priority testing is conducted in the Testing Center, E-303, at Santiago Canyon College. You can schedule your testing appointment online at: www.sccollege.edu/testing.
3. Continuing students who have not tested or who need to retest should complete testing during priority testing.
4. Regular testing for the Spring Semester begins January 28, 2013. Students who wish to test at Santiago Canyon College may schedule an appointment online at: www.sccollege.edu/testing.
5. After you complete testing, you will be directed to schedule an appointment for orientation and advisement with a counselor where you will receive your test results and other information about college requirements, courses, and programs. You may register on your assigned date completing testing, orientation, and advisement.

WHY should I do this?
1. By completing testing, orientation, and advisement we will be able to assist you in planning a course of study based on your academic abilities and interests.
2. The California Community Colleges have adopted this matriculation effort as a statewide requirement.
3. If there are other circumstances that should be considered in recommending your enrollment into certain courses, please contact the Counseling Center at Santiago Canyon College at 714-628-4800, or the Disabled Student Services Program, 714-628-4860.

RIGHT TO APPEAL
Students who feel that they have been treated in a discriminatory manner, or would like to appeal their recommended placement level may file a complaint about any aspect of the college’s matriculation program with the matriculation coordinator. Call 714-628-4775.

3. An enriched environment that allows for student-directed activities and discussions, guest speakers, field trips, and more
4. Professors who are committed to innovative teaching styles and strategies
5. A learning community of students who share a curiosity and an analytical approach to education
6. Designation on transcripts of honors courses
7. Accumulation of honors credits to graduate as a President’s Scholar and to enter transfer agreements with fourteen participating four-year institutions, offering at a minimum “priority admission”

Students meeting any one of the following guidelines may enroll in honors courses:
1. Students who are already accepted into the Honors Program
2. Students meeting the prerequisites of an honors course as stated in the college catalog

ACADEMIC PLANNING

PREREQUISITES AND COREQUISITES

IMPORTANT DEFINITIONS
If you should see the words Prerequisite and Corequisite, in the class schedule, it is important for you to understand the definitions of these terms. Note that prerequisites and corequisites can be challenged. See Prerequisite Challenge Policy, on this page, for more information.

PREREQUISITE
Prerequisite indicates a condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. A prerequisite represents a set of skills or a body of knowledge that a student must possess prior to enrollment and without which the student is highly unlikely to succeed in the course or program. Students will not be permitted to enroll in such courses and programs without the appropriate prerequisite.

COREQUISITE
Corequisite indicates a condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. A corequisite represents a set of skills or a body of knowledge that a student must acquire through concurrent enrollment in another course and without which the student is highly unlikely to succeed. Students must concurrently enroll in the corequisite course.

RECOMMENDED PREPARATION
Indicates that while a course is not required prior to enrollment, it is highly advised in order to strengthen the likelihood of success in subsequent courses.

PREREQUISITE CHALLENGE POLICY AND PROCEDURES

COURSE PREREQUISITE POLICY
Prerequisite means the preparation or previous course work considered necessary for success in the course. The College requires students to complete prerequisites as pre-enrollment preparation. Prerequisites which are listed in the college catalog include:

1. Courses for which specific prerequisites have been established,
2. Sequential course work in a degree-applicable program, and
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

PREREQUISITE CHALLENGE PROCESS / WAIVER PROCESS
A prerequisite challenge requires written documentation explaining alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate division office. Prerequisites may be challenged for one or more of the following reasons:

1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The College has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the division dean, or designee, department chair, or designee, and one department or division representative or designee.

If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Rancho Santiago Community College District for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District.
I. Unit and Residency Requirements

60 UNITS, with at least a 2.0 grade point average. At least 12 of the units must be earned at the college and at least 6 of those units must be in courses required for the major. Units earned at an accredited college or university on a Pass/No Pass basis will be counted toward the degree requirements of the college, to a maximum of 15 units.

II. General Education Requirements

24 semester units of general education which include one course or more as indicated in group requirements A, B, C, D, E, and F. NOTE: See Plan A, on the next page for specific course requirements. A single course may be used to meet only one category requirement.

A course may be used to satisfy a major requirement and meet a general education category requirement (A-F). Non degree applicable courses may not be used for graduation requirements.

IMPORTANT NOTE: The list of courses will be subject to change year by year, but students are assured that courses taken to meet General Education requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2012 and are valid through Summer 2013.

NOTE: The requirements in parts II, IV and V also may be met by CSU general education certification, IGETC certification, or by submitting a transcript showing completion of a bachelor’s degree from an accredited institution, or by submitting a transcript showing completion of an Associate of Arts or Associate of Science degree from an accredited California institution within a ten-year period of finishing major requirements (III) at the college.

III. Major Requirements

Each degree and certificate program specifies courses required for the major (a minimum of 18 units). Students must complete these courses with a grade of C or better. See Instructional Programs Section.

IV. Required Proficiencies

NOTE: Schedules for proficiency examinations are announced each semester in the Schedule of Classes. Applicants must be currently enrolled or completing graduation requirements in order to take the proficiency examinations. Students who do not achieve a satisfactory score on the English Writing Proficiency Examination may not challenge that examination but must satisfactorily complete an approved course as listed in the graduation requirements.

PETITION FOR GRADUATION AND CATALOG RIGHTS:

Petitions for graduation should be filed in the Office of Admissions and Records at Santiago Canyon College when a student has completed 30 units or at least one semester before the student expects to graduate. Students who maintain continuous enrollment have the option to meet the associate degree or certificate of achievement requirements as listed in the catalog in effect at the time of first enrollment or any subsequent year. Continuous enrollment is defined as completing at least one course each catalog year (fall, spring, summer) at Santiago Canyon College or Santa Ana College. Completion of a course is determined by a letter grade or with one of the following notations: W, NP, P, IC. A student who has an interruption of attendance must use the catalog at the time of readmission or one of subsequent continuous enrollment.

Commencement

Commencement is held once a year at the end of the spring semester for those students who complete the requirements for graduation during the year or the summer session. Student must submit a Petition to Graduate to participate in commencement.

NOTE: Transcripts from all colleges attended must be on file.

The information above was in effect at press time. Please consult a counselor before enrolling.

MATHEMATICS PROFICIENCY EXAMINATION

To make arrangements to take the Math Department Proficiency Examination, contact the Placement Testing Center at 714-628-4985.

CERTIFICATE OF PROFICIENCY PROGRAMS

A certificate of proficiency is under 18 units and/or is not a state approved program. A certificate of proficiency is verification of completion in a particular subject matter. A certificate of proficiency will NOT be included on the official transcript. Certificates programs include only those courses which focus on vocational skills. The certificate has the sole objective of immediate employment in a specialized area. For this reason there are no general education requirements in a certificate program.

Santiago Canyon College certificate of proficiency programs are described in the catalog section on College Credit Instructional Programs.

CERTIFICATE OF ACHIEVEMENT PROGRAMS

A "Certificate of Achievement (18 or more units or state approved under 18 units) is a verification of achievement in a particular academic or occupational area, and it will be included on the official transcript." Certificate of achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the catalog section on college credit instructional programs. To qualify for a certificate of achievement, a candidate must meet the following requirements:

1. Courses: Courses are designated for the specific certificate.
2. Grades: At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. Pass/No Pass: A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. Residency: Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. Petition: Petition for certificate filed by the student with the Office of Admissions and Records at Santiago Canyon College.

SCC Rates of Student Progress

- Student Right-To-Know Act

The rates below are placed here in accordance with the federally mandated Student Right-To-Know Act. Of the degree, certificate or transfer seeking first-time freshman students who entered SCC in Fall 2008, the “completion rate” represents those students who earned an Associates Degree, certificate of completion, or 56 UC/CSU transferable credits within three years.

The “transfer rate” represents non-completer students who transferred to any other two- or four-year institution within three years. These rates do not represent the success rates of the entire student population at SCC nor do they account for student outcomes occurring after this three-year tracking period.
Students planning to graduate from one of the 23 campuses of the California State University must complete 48 semester units in general education breadth courses. Upon request Santiago Canyon College will verify the completion (certify) of up to 39 units of lower-division general education requirements. Nine semester units of general education units must be completed at the upper-division level after transfer. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a CSU campus.

IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet General Education-Breadth requirements will be honored if they are approved for the academic year in which they are taken. IMPORTANT NOTE: The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. AMERICAN INSTITUTIONS REQUIREMENT (AI)
(Not part of IGETC. May be completed prior to transfer.)

CSU has an American Institutions graduation requirement that is separate from IGETC. To meet the CSU requirement, students should take Political Science 101*/101H* AND one of the following courses:

History 118, 120*/120H*, 121*/121H*, 122*, 124, 127.

These courses can be used for 6 of the 9 units required in Area 4 (Social and Behavioral Sciences).

UC requires the completion of a college course or courses with a grade of "C" or better OR a one-year course in high school in U.S. History or a half-year course in U.S. History and a half-year course in American Government with grades of "C" or better (UCLA requires grades of "B"). Requirements vary by UC campus. Check with a Santiago Canyon College counselor to determine which course(s) to take.

CERTIFICATION REQUIREMENTS
1. Complete all courses used for IGETC certification with a minimum grade of C (UC, minus is not acceptable) A "Pass" is acceptable providing it is equivalent to a grade of C or higher.

2. Request certification from the last California community college you attend prior to transfer to CSU or UC. Requests should be made to the Office of Admissions and Records during the semester prior to the last term of attendance. Please consult the class schedule or the Santiago Canyon College Counseling Department for deadline information.

3. Prior to requesting certification, have official transcripts on file from every high school and college you have attended.

4. Courses taken at other California community colleges will be applied to the subject areas in which they are listed by the institution where the work was completed.

5. A course taken at other regionally accredited institutions (which do not maintain an IGETC certification list) may be approved for certification via a "Pass Along Petition" and after a review by the Santiago Canyon College Articulation Officer. Pass Along Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.

6. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.

7. Completing IGETC prior to transfer is strongly recommended and can be advantageous in the admissions process. Partial certification is permitted if the student has completed all but two courses on the pattern. Please see a Santiago Canyon College counselor for guidelines.

FINANCIAL ASSISTANCE

BOARD OF GOVERNOR’S FEE WAIVER PROGRAM

There are three ways for California residents to qualify to have their enrollment fee waived at SAC and SCC.
Submit the completed BOGW form to the Financial Aid Office for Method A and Method B.

BOGW A UNTAXED INCOME

Complete the BOGW application and provide the required documentation showing you or your family are receiving TANF, Cal Works, SSI/SSP, or General Relief. You are also eligible if you have certification from the California Department of Veteran Affairs or the National Guard Adjutant General that you are eligible for a dependent’s fee waiver, or if you are eligible as a recipient of the Congressional Medal of Honor or as a child of a recipient, or a dependent of a victim of the September 11, 2001 terrorist attack. In addition you are eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty. Verification of benefits is required.

BOGW B FAMILY INCOME

To be eligible, you must complete the BOGW application, signing a statement, under penalty of perjury, that the income information is true and that the family income does not exceed the state income standards determining eligibility.

BOGW C FINANCIAL AID APPLICANT

Complete the FAFSA application process, and provide the Financial Aid office with all required documentation. Once the need analysis is calculated, applicants with a least one dollar of unmet need will be provided with a BOGW C that will pay the Enrollment Fee for the entire academic year and provide a refund to students who have already paid.

The Financial Aid Application Process:
Apply Now for 2012–2013

In order to apply for any financial aid program, you must complete the FAFSA, the Free Application for Federal Student Aid, and mail it to the processor or apply online at www.fafsa.ed.gov by June 30, 2012. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms. New applications are available every January. Receive a PIN # before you apply. Go to pin.ed.gov.

The state Cal Grant competition requires you to complete the FAFSA and to submit GPA verification. If you have completed 24 degree applicable units at Santa Ana College or Santiago Canyon College, your GPA will be sent electronically. If not, you will need to submit your high school GPA on the paper GPA Verification form. Cal Grant deadlines are March 2nd and September 2nd.

Once you have applied for financial aid, you will be notified by the processor with a Student Aid Report (SAR), giving you the Expected Family Contribution which determines your Pell Grant eligibility and BOGW C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA will mail you additional forms to be completed and turned into the Financial Aid Office. Check with the Financial Aid Office to see if you qualify for the Fee Waiver. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be mailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about “Special Circumstances” that could affect your eligibility.

Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop or withdraw from all classes or drop below half-time status, or are dropped by the instructor due to excessive absence. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of “unearned” federal financial aid received by the student. A calculation will be completed to determine if the student will owe a refund.

Please refer to catalog for more information.

Try to successfully complete at least six units each semester, so that you are not required to pay back a portion of the funds you have received. Dropping below half-time will affect your award.

General Eligibility Requirements:

• Be a US citizen or eligible non-citizen.
• Have a high school diploma, pass the CAHSEE exam, or if you do not have a High school diploma, GED completion is acceptable. If none of the earlier qualifications apply, applicant must pass the Ability to Benefit examination or complete six college credit units applicable towards an educational objective.
• Have a valid Social Security Number.
• Meet Satisfactory Academic Progress requirements.
• Not be in default on any federal student loan or owe a refund on any federal grant.
• Be enrolled in an eligible program of study leading to a degree, transfer or a certificate.
• Provide the Admissions Office with official academic transcripts from previous colleges attended.
• Drug convictions, while receiving federal aid, will disqualify eligibility.
• Male Students must be registered with Selective Service. Register online at www.sss.gov or call 847-688-6888 if you need your Selective Service Number.

**Cal Grants**
Cal Grants are available to California residents attending eligible California colleges who meet all criteria and are enrolled in at least 6 units. The programs are administered by the California Student Aid Commission. The annual application deadlines are March 2 and September 2. A FAFSA and a GPA verification is required.

**Cal Grant A**
Eligibility is based on financial need and GPA. Assistance is provided to meet tuition and fee costs at four-year universities. Award amounts: $4,884 at CSU, $11,124 at UC, $9,708 at independent colleges.

**Cal Grant B**
Is provided to students from low-income families with living allowance and tuition and fee assistance to attend college. The maximum award amount is $1,551 per year and will be prorated for less than full-time students. This grant may be used at community colleges and universities, not to exceed four years. Cal Grant B students also receive tuition costs at the same levels as Cal Grant A, beginning the sophomore year.

**Cal Grant C**

**Federal PELL Grant**
Pell grant is a federally funded program for undergraduates who demonstrate need. The amount of the Pell Grant is based on the cost of attendance, the Expected Family Contribution, and the enrollment in number of units. **Unsubsidized Stafford Loan:** The student is responsible for paying the interest on this loan that is not need based.

**Additional Unsubsidized Stafford Loans:** Available to students who meet all of the qualification requirements. The annual loan limits are $6,000 for independent students and $2,000 for dependent students.

**Plus Loans:** For parents who borrow on behalf of dependent students.

**Federal Supplemental Educational Opportunity Grant (FSEOG)**
This is a federally funded grant, available to undergraduates who demonstrate exceptional financial need. Priority in awarding FSEOG funds must be given to Pell Grant recipients. Minimum enrollment is six units per semester. Early applicants are given priority.

**Federal Work-Study Program (FWS)**
This is a federally funded program providing employment opportunities to students with financial need. Students awarded FWS are placed in part-time jobs on campus. This program provides an excellent “learning experience” through on-the-job training. Students must be enrolled in a minimum of six units to remain eligible. Early applicants are given priority.

**Chafee Grant**

**Extended Opportunity Programs and Services (EOPS) and CARE Grants**
This is a state funded program designed to assist EOPS eligible students from low income families who are educationally disadvantaged, and enrolled full-time, with priority registration, orientation, personal and academic counseling, tutoring, study-skills, book services, bus passes, and grants. The CARE program provides students with the cost of child-care, transportation, and meal vouchers.
