

## Addendum to Application/Permit for Use of District Facilities

Because we are not a vendor, we hereby understand that we are not allowed to sell any of our products while tabling at Santiago Canyon College. We will only provide informational literature, which has been pre-approved by the Facilities Office, to the students and recruit for employment. Furthermore, we will not solicit any personal information from the students; only providing our contact information should they wish to communicate with us. Failure to abide by these policies will be grounds for the cancellation of this permit. User will be asked to immediately shut down and Rancho Santiago Community College District will not be held liable for any losses incurred due to failure to comply.
