Thank you for applying for Financial Aid at Santiago Canyon College (SCC). Our Financial Aid Office has received your California Dream Act Application (CADAA) from the California Student Aid Commission (CSAC); however, our records indicate you selected either Orange Education Center (OEC) or Centennial Education Center (CEC) as your home location when you submitted your Admissions application. Based on this selection, our office is **unable to process your financial aid**. To correct this, you may either:

- **Change your home location to Santiago Canyon College** by taking this letter to the Admissions and Records (A&R) Office. The A&R staff will change the home location on your record and complete the section below. Then you must return to the **Financial Aid Office** in order for us to begin processing your financial aid file.

**OR**

- If you choose to change your home location to **Santa Ana College (SAC)**, you need to **update it with their A&R Office**. If you select SAC as your home location, you must change the school code on your CADAA to **001284**. You can do this online by going to <https://dream.csac.ca.gov/>. SAC's Financial Aid Office will begin to process your financial aid once they receive your corrected CADAA.
