## WHAT HAPPENS HERE MATTERS

Fall 2018

Vol. 7, No. 1

### Focus on the Hawk's Nest Food Pantry

The Hawk's Nest Food Pantry has been in operation for over a year and what a year it has been! The pantry has served over 20,000 pounds of food to over 600 students. Volunteers have logged over 400 hours of service. Community members have also pitched in with financial support, donating over \$22,000 in cash and countless pounds of food and sundries. In particular, Santiago Canyon College would like to thank the Community Foundation of Orange for its recent donation of \$5,000.

The food pantry is an important component of SCC's commitment to ensuring that students, regardless of economic means, have fewer impediments to successfully completing a college degree or certificate. ## #SCC HAWKS GIVE

On Tuesday, November 27, 2018, Santiago Canyon College will take part in national Giving Tuesday. Our version – #SCCHawksGive – is your opportunity to donate to the SCC Hawks Fund, which supports programs and scholarships across campus. Your gift can help purchase food for our Hawk's Nest Food Pantry, support general scholarships for struggling students or our emergency fund for students facing personal financial crises that could derail their ability to stay

in college. Your gift can also support programs that help first generation college students who lack a support network get the extra help they need to succeed. Your gift, in whatever amount, goes a long way at SCC. WHAT HAPPENS HERE MATTERS. Give during our #SCCHawksGive campaign and make it matter even more! Go to [www.scccollege.edu/hawksgive](http://www.scccollege.edu/hawksgive) to find out more.
