Alumni Stories – Michelle Ford

Michelle Ford started at Santiago Canyon College (SCC) as a CAP student while attending high school. After graduating high school, Ms. Ford attended SCC full time and started working in the Hawk's Bookstore. Ms. Ford transferred to California State University, Fullerton (CSUF), with the assistance of SCC's Pathways to Teaching Club and continued to work for the SCC Hawk's Bookstore while attending CSUF. She graduated from CSUF in 2010, with a Bachelor of Arts in English.

Ms. Ford worked in the Accounts Payable department at Rancho Santiago Community College District office and was a Program Specialist for SCC's DSPS and Student Health. She is currently the Administrative Secretary for SCC Student Health. Ms. Ford continues to take medical and psychological classes to broaden her understanding.

Favorite memories of SCC are working for the Bookstore during Rush. Rush week was always my favorite. I now love helping with Discover SCC. I remember how many academic clubs were once on campus and how fun and helpful they were. I was part of Pathways to Teaching Club before it became an actual department.
