Alumni Stories – Sean Vaziri

Sean Vaziri grew up in Orange County and attended Santiago Canyon College (SCC) from 2010 to 2012, then transferred to the University of California, Santa Barbara where he graduated with a degree in Economics. After graduating, Mr. Vaziri became a financial consultant for PricewaterhouseCoopers LLC in Chicago. Subsequently, he worked at National Football League headquarters in New York City, where he served as an in-house strategic consultant to all 32 teams. Currently, Mr. Vaziri is a first-year MBA student at Duke University and is a strategy consultant for the Carolina Panthers. Sean credits his time at SCC for giving him the strong foundation to build a career that combines his passion for sports with his skillset.

Favorite memory of SCC was taking classes with my close friends from high school.
