### STUDENT RESPONSIBILITY TO DROP CLASSES

Students must drop their full-semester (16-week) course by February 23, 2025, in order to avoid a financial obligation to the college or to receive a full-refund for fees paid. **To avoid a "W" grade on the transcript, students must drop their full-semester (16-week) course by February 23, 2025.**

**ATTENTION! Even if you stop attending the class, you owe the fees unless you drop the class before Sunday, February 23, 2025.**

### MANAGE MY WAIT LIST-THIS IS THE STUDENT'S RESPONSIBILITY

- Once a class fills its seats to the limit, a wait list is created. Although you may see an open seat – you may only add yourself to the wait list.
- It is your responsibility to check your schedule each day to see if you have been moved from the wait list into an open seat. You may be dropped for nonpayment if you fail to pay within three days.
- When students are dropped for non-payment, seats may become available. Students on the wait list **WHO ARE ELIGIBLE FOR THE CLASS** will be rolled automatically into the open seats. An email will be sent to you when this happens. **You have 3 days to pay. Failure to pay on time may cause you to lose the class and a place on the wait list.**
- If you have not met the class pre-requisite or if you do not have a class waiver (i.e., permission to register for the class online), you will remain on the wait list and not roll into an open seat.
- Online classes do not always allow wait listing. Some online instructors overload their capacity. Once that capacity is filled, the class is closed. You will not be able to get on the wait list. **DO NOT EMAIL THE INSTRUCTOR.** You may not receive a reply.
- Some wait lists may have a maximum limit. If you cannot add to the wait list, then it may be full. Look for another section.

- Once the semester starts, the movement off the wait lists stops for full semester classes. However, students wait listed for late starting classes will continue to be rolled into open seats.

#### REMINDER - YOU WILL NOT BE ROLLED OVER IF:

- You do not meet the prerequisite  
(make sure your waiver has been entered by Counseling)
- You need an overload petition! (>18 units)
- There is a class conflict

#### CLOSED CLASSES/CLASSES REQUIRING AN ADD AUTHORIZATION

If the class you'd like to register for is closed, place yourself on the wait list, if it is available. Otherwise, once the course begins, the registration system will require an Add Authorization in order to register, which you must obtain from the instructor.

You may attend the first class meeting to ask the instructor for an Add Authorization. If the instructor gives you an Add Authorization, log into Self-Service to register for the course by the stated ADD deadline.

If you have any further questions regarding Add, contact the Admissions & Records Office at 714-628-4901.

## AB 705 IMPLEMENTATION AND ASSESSMENT

### **AB 705/1705 Implementation: AB 705/1705 Implementation**

Santiago Canyon College has reformed how placement in mathematics, English, and English as a Second Language (ESL) courses is determined. These bill requires that students have access to transfer-level coursework in mathematics, English, and ESL courses. Students planning to enroll in mathematics, English, and/or reading courses do not need to take a placement test. Placement into these courses is provided as follows:

**Placement Recommendations Based on High School Performance:** Students receive course recommendations for mathematics, English, and reading based on self-reported high school non-weighted grade point average (GPA), high school coursework completion, and earned grades.

**Guided Placement Course Recommendations:** The Guided Placement tool is for students who do not have access to their high school transcript or did not attend high school in the United States. This placement tool provides students with the ability to reflect on mathematics, English or ESL, and reading skills.

**Assessment and Course Placement for American College English/ English as a Second Language (ACE/ESL):** Students interested in enrolling in the ACE/ESL program need to complete the ACE/ESL Guided Placement for course placement.

**Assessment for Chemistry Placement:** Assessment for Chemistry placement is available for students planning to enroll in SCC's Chemistry 200A (General Chemistry A). An assessment appointment can be made by calling 714-628-4800 or visiting our Chemistry Placement website.

**Disability-Related Accommodations:** Students who require disability-related accommodations must request them at least two weeks prior to taking the Chemistry Placement assessment. To arrange for accommodations for assessment, contact Disabled Students Programs and Services (DSPS) at 714-628-4860 to schedule an evaluation of needs.

**Accessing Placement Results:** Santiago Canyon College strives to provide the best possible course placement recommendations for each student. Placement results are available on the SCC website under the "Assessment and Course Placement Recommendations" page. SCC's disclosure of these results allows prospective students and the public to view the number of students assessed and placed into transfer-level mathematics, English, and ESL courses.

**Coursework from Other Colleges:** Students who have attended another regionally accredited college and have completed courses that meet prerequisites for SCC courses can submit transcripts to clear prerequisites by one of the following methods:

1. Bring transcripts to the Counseling Center (SCC, Room D-106) for verification and prerequisite clearance.
2. Submit an online Prerequisite Clearance Request form with supporting documentation at [sccollege.edu/counseling](http://sccollege.edu/counseling) and select "Course Prerequisite Clearance."

**Right to Challenge:** Students who want to challenge their course placement recommendation/s need to submit a Requisite Challenge Form to the appropriate department two weeks prior to the start of the semester. Additional information about this process is available on the SCC website under "Assessment and Course Placement Recommendations."

## WHAT IS A LEARNING COMMUNITY?

A Learning Community is two or more classes offered together in the same semester. Professors from different departments plan the classes together, so the different classes relate to each other. Students who are members of a Learning Community take the courses as a group, so they become a community of learners.

## WHY SHOULD I JOIN A LEARNING COMMUNITY?

- Students in Learning Communities get the support of a team of professors and a community of their fellow students in their Learning Community courses.
- Students in Learning Communities are more likely to fulfill their academic goals of transferring from a community college to a four-year university and of graduating from the university than traditional students.
- Students in a Learning Community get better grades in their courses—even in their courses which aren't part of the Learning Community—than traditional students.
- Students in a Learning Community get more involved in campus life and activities than traditional students and report that they enjoy their college experience more and feel they get more out of it than traditional students.

## WHAT LEARNING COMMUNITIES CAN I JOIN?

In Spring 2025, you can join one of the following Learning Communities:

To join, enroll in the following courses:

### BUILDING CONFIDENCE IN STATISTICS COHORT

Not only do mathematicians read differently than those in other disciplines, but they use what they are reading in different ways. This learning community will provide students with effective reading strategies to better understand their statistic textbook and approach word problems.

# POLICIES, NOTICES, & GRADES

## ACADEMIC HONESTY

Students enrolled in Santiago Canyon College instructional programs are expected to be honest and forthright in their academic endeavors and assume an obligation to obey the Academic Honesty Policy. For specific policy information and procedures followed in matters of student violation of academic honesty, please see the current SCC Catalog.

## CHANGE OF ADDRESS

If you change your address, use the online Self-Service system at [www.scccollege.edu/selfservice](http://www.scccollege.edu/selfservice). You may make the change under the "Change Contact Information."

## COURSE: OPEN COURSE ENROLLMENT

The policy of the Rancho Santiago Community College District and Santiago Canyon College is that, unless specifically exempted by statute or regulation, every course, course section, or class, reported for state aid, wherever offered and maintained by the college, shall be fully open to enrollment and participation by any person who has been admitted to the college and who meets such prerequisites as may be established pursuant to section 55003 of division 6 of title 5 of the California Code of Regulations.

## COURSE REPETITION – Maximum of 3 enrollments

When may courses be repeated?

1. Substandard Work  
When student has earned a grade of D, F, NP (No Pass) or W. See the Admissions and Records Office for specifics.
2. Repeatable Courses  
When a course can be taken more than one time it is identified as being repeatable. There are limits to the number of times a course may be repeated.
3. When a course is repeated, the current grade replaces the previous grade. For further clarification, contact the Admissions and Records Office.
4. Extenuating Circumstances  
Extenuating circumstances may be petitioned at the Admissions and Records Office. Special circumstances are as follows: a significant lapse of time (3 years or more) since student previously completed the course or the occurrence of an accident, illness, or other circumstance beyond the control of the student. See the Admissions and Records Office for instructions.
5. Variable Unit Courses  
A variable unit course may be continued from semester to semester until the maximum number of allowable units has been successfully completed.
6. Education Code (Title 5)  
Limits a regular course (one not designated as repeatable) to be repeated a maximum of 3 times. "W" grades count as a repeat.

## COURSE WITHDRAWAL POLICY

A student who cannot continue a course has an obligation to withdraw officially through Self-Service. Students officially withdrawing after the refund period (February 23, 2025), from a full semester-length course, will receive a "W" grade (withdrawal); a "W" (withdrawal) from a course less than semester-length must be submitted before 75 percent of the course has expired (check section detail for deadlines). Withdrawing from a course after the above deadlines requires that the student receive an "F" or other letter grade. Consult the Admissions and Records Office for answers to any questions regarding this policy.

## EXTENUATING CIRCUMSTANCES (Excused Withdrawal)

A student may petition for an Excused Withdrawal due to extenuating circumstances (reasons beyond the student's control). Extenuating circumstances are approved based upon verifiable documentation supporting the request. If approved, the petitioned classes will be designated with an "EW" (Excused Withdrawal) on the transcript. An "EW" will not be counted in progress probation or dismissal calculations nor will it be counted towards the permitted number of withdrawals or counted as an enrollment attempt.

## MILITARY WITHDRAWAL

A student who is a member of an active or reserve U.S. military service and has received orders compelling a withdrawal from courses may request a military withdrawal. If approved an "MW" will appear on the transcript for each course. "MW" shall not be counted in the permitted number of withdrawals nor shall it be counted in progress and dismissal calculations.

Students should file the petitions as soon as possible. The petition must be filed no later than one year following the awarding of the original grade.

## PASS/NO PASS (PASS/FAIL Grade)

Pass/No Pass petitions for full-semester classes must be received in the Admissions and Records Office by June 8, 2025. Pass/No Pass petitions for classes less than a semester in length must be submitted before 30% of the class expires. Pass/No Pass courses may NOT be taken in the student's major field and a maximum of 12 units of pass/no pass are allowed toward a degree program. All Pass/No Pass Petitions require a counselor's signature. Pass/No Pass does not include credit by examination.

## SEXUAL HARASSMENT, SEXUAL MISCONDUCT, INTIMATE PARTNER VIOLENCE, AND STALKING

Any sexual harassment, sexual misconduct or physical abuse, including, but not limited to, rape, as defined by state and federal law, whether committed by an employee, student, or member of the public, may be a violation of district policies and procedures, and is subject to all applicable punishment, including criminal procedures, civil litigation and employee or student discipline procedures. Students, faculty, and staff who report sexual harassment, sexual misconduct, dating or domestic violence (intimate partner violence) and stalking shall be treated with dignity and provided comprehensive assistance.

The District has established administrative procedures that ensure that students, faculty, and staff who are victims of sexual and other forms of misconduct receive appropriate information and treatment, and that educational information about preventing sexual violence is provided and publicized as required by law (please see Administrative Regulation 3540 and Interim Administrative Regulations 3425 for complete procedures). The use of alcohol or drugs never makes the Complainant at fault for reports of misconduct, intimate partner violence or stalking; therefore, Complainants should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug or alcohol policies. Except in extreme circumstances, Complainants shall not be subject to discipline for related violations of the Standards of Student Conduct.

Santiago Canyon College has the resources to assist and refer students who experienced sexual harassment, sexual misconduct, dating or domestic violence,

and stalking. Immediate care and confidential counseling can be provided by the Student Health and Wellness Services, in Building T-102 or call 714-628-4773. When the Student Health and Wellness Services is closed, contact Campus Safety and Security (not a confidential resource) directly in S-100 or call 714-628-4730. If you have questions regarding an allegation, specific behavior or if you would like to discuss a concern with an administrator, please contact the Title IX Coordinator at 714-480-7404. ## HARASSMENT AND DISCRIMINATION

Board Policy 3430 (BP 3430) prohibits all forms of harassment that are contrary to basic standards of conduct between individuals and are prohibited by state and federal law, as well as this policy, and will not be tolerated. Administrative Regulation 3435 and Interim Administrative Regulations 3425 details the procedures for the resolution of such complaints (<https://www.rscdd.edu/Trustees/Pages/policies-and-regulations.aspx>). This policy is widely published and publicized to all employees and students, including incoming employees and students. The District is committed to providing an academic and work environment that respects the dignity of individuals and groups. The District shall be free of sexual harassment and all forms of sexual intimidation and exploitation, including acts of sexual misconduct, dating or domestic violence, and stalking. The District shall also be free of other unlawful harassment or discrimination, including that which is based on any of the following statuses: race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, or sexual orientation of any person, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics. The Title IX Coordinator is responsible for resolving reports of sexual misconduct, sex or gender-based discrimination or harassment, dating or domestic violence, and stalking. To report an incident or file a complaint, please contact the following individuals:

The District seeks to foster an environment in which all employees and students feel free to report incidents of harassment without fear of retaliation or reprisal. Retaliation for exercising one's right of protection from discrimination and/or harassment or for participating in the investigation of a complaint is prohibited by law and this policy, and will not be tolerated. All allegations of retaliation will be swiftly and thoroughly investigated. If the District determines that discrimination, harassment, or retaliation has occurred, it will take all reasonable steps within its power to stop such conduct. Students or employees who engage in discrimination, harassment, or retaliation are subject to disciplinary action, up to and including termination or expulsion.

**Duty to Report.** Except for psychologists in the College's Student Health Center, any District employee who knows of or has reason to know of sexual harassment, sexual misconduct, dating or domestic violence, and stalking shall promptly inform the Title IX Coordinator. These employees are considered mandated reporters under Title IX and are required to disclose all information, including the names of the parties, even where the person has requested that

# POLICIES, NOTICES, & GRADES (continued)

their name remain confidential. Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention.

The Title IX Coordinator or employees designated as "Officials with Authority" under Title IX will determine whether confidentiality is appropriate given the circumstances of each such incident as the District must then take appropriate steps to eliminate any gender discrimination/harassment/misconduct, prevent its recurrence, and remedy its effects. The District is required by the federal Clery Act to report certain types of crimes (including certain sex offenses) in statistical reports. However, while the District will report the type of incident in the annual crime statistics report known as the Annual Security Report, victim names/identities will not be revealed.

BP 3430 and AR 3425 applies to all aspects of the academic environment, including but not limited to classroom conditions, grades, academic standing, employment opportunities, scholarships, recommendations, disciplinary actions, and participation in any community college activity. In addition, this policy applies to all terms and conditions of employment, including but not limited to hiring, placement, promotion, disciplinary action, layoff, recall, transfer, leave of absence, training opportunities and compensation.

## SUPPORTIVE MEASURES

The District will offer and implement appropriate and reasonable supportive measures to the Parties upon notice of alleged sexual harassment and/or retaliation. Supportive measures are non-disciplinary, non-punitive individualized services, offered as appropriate, as reasonably available and without fee or charge to the Parties, which are intended to restore or preserve equal access to the District's education program or activity, to protect the safety of all Parties or the District's educational environment, and/or deter sexual harassment and/or retaliation.

The Title IX Coordinator will promptly make supportive measures available to the Parties upon receiving notice or a complaint, and will coordinate the effective implementation of such measures. At the time that supportive measures are offered, the District will inform the Complainant, in writing, that they may file a formal complaint with the District either at that time or in the future, if they have not done so already.

The District will maintain the privacy of the supportive measures, provided that privacy does not impair the District's ability to provide the supportive measures. The District will act to ensure as minimal an academic/occupational impact on the Parties as possible. The District will implement measures in a way that does not unreasonably burden the other party. Supportive measures may include, but are not limited to:

- Counseling and referral to medical and/or other healthcare services
- Referral to the Employee Assistance Program
- Referral to community-based service providers
- Student financial aid counseling
- Altered work arrangements for employees or student-employees
- Safety planning
- Campus safety escorts
- Implementing mutual contact limitations (no contact orders) between the Parties
- Academic support, extensions of deadlines, or other course/program-related adjustments
- Trespass orders
- Class or work schedule modifications, withdrawals, or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

Violations of no contact orders will be referred to appropriate student or employee conduct processes for enforcement.

understanding of expected appropriate future behavior and terms that may include denial of specified social privileges, exclusion from co-curricular activities, exclusion from designated areas of campus, no-contact orders, and/or other measures deemed appropriate. ## DEFINITIONS

The District has adopted the following definitions so as to address the unique environment of an academic community.

**Affirmative Consent** means an affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in sexual activity to ensure that they have the affirmative consent of the other or others to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or the fact of past sexual relations between them, should never by itself be assumed to be an indicator of consent. In California, a minor (meaning a person under the age of 18) cannot consent to sexual activity.

It shall not be a valid response to alleged lack of affirmative consent that the Respondent believed that the Complainant consented to the sexual activity under either of the following circumstances:

The Respondent's belief in affirmative consent arose from the intoxication or recklessness of the Respondent. Any allegation that alcohol or other drugs were involved in an incident will be reviewed.

The Respondent did not take reasonable steps, in the circumstances known to the Respondent at the time, to ascertain whether the complainant affirmatively consented.

It shall not be a valid response that the Respondent believed that the Complainant affirmatively consented to the sexual activity if the Respondent knew or reasonably should have known that the Complainant was unable to consent to the sexual activity under any of the following circumstances:

The Complainant was asleep or unconscious.

The Complainant was incapacitated due to the influence of drugs, alcohol, or medication, so that the Complainant could not understand the fact, nature, or extent of the sexual activity.

The Complainant was unable to communicate due to a mental or physical condition.

**Complainant** means an individual who is alleged to be the victim of conduct that could constitute Sexual Harassment, as defined herein, whether the notice/complaint is presented by the individual or someone on the individual's behalf, such as a report by one who learned of the conduct in his or her official capacity as a faculty member or administrator.

**Formal Complaint** means a document submitted or signed by a Complainant or signed by the Title IX Coordinator alleging Prohibited Conduct against a Respondent and requesting that the District investigate the allegation.

**Notice** means that an employee, student, or third-party informs the Title IX Coordinator or other Official with Authority of the alleged occurrence of harassing, discriminatory, and/or retaliatory conduct.

**Official with Authority (OWA)** means an employee of the District explicitly vested with the responsibility to implement corrective measures for sexual harassment and/or retaliation on behalf of the District.

**Prohibited Conduct** means any sexual misconduct, gender or sex-based discrimination or harassment, dating violence, domestic violence, stalking, and retaliation.

**Remedies** are actions taken to address safety, prevent recurrence of Prohibited Conduct, and restore equal access to the District's educational program.

# POLICIES, NOTICES, & GRADES (continued)

**Resolution Process** refers broadly to the process for addressing Formal Complaints either by informal resolution or through a Formal Grievance Process that includes investigation, live hearing, and appeal.

**Respondent** means an individual who has been reported to be the perpetrator of Prohibited Conduct, as defined herein.

**Sanction** means a consequence imposed by the District on a Respondent who is found to have engaged in Prohibited Conduct under this interim administrative regulation.

**Sexual Harassment** means conduct on the basis of sex that satisfies one or more of the following:

- A. **Quid Pro Quo Sexual Harassment:** When an employee of the District conditions (implicitly or explicitly) the provision of an aid, benefit, or service of the District on an individual's participation in unwelcome sexual conduct; or
- B. **Hostile Environment Sexual Harassment:** Unwelcome conduct determined by a reasonable person standing in the shoes of the Complainant to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education program or activity; or
- C. **Sexual assault, dating violence, domestic violence, or stalking,** as defined herein.
  1. **Sexual assault** means any sexual act (forcible or non-forcible), directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent. Sexual acts include the following:
    - (a) Rape, which is defined as the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the Complainant.
    - (b) Sodomy, which is defined as oral or anal sexual intercourse with another person, forcibly committed and/or against that person's will (non-consensually), or not forcibly or against the person's will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    - (c) Sexual Assault with an Object, which is defined as the use of an object or instrument to penetrate, however slightly, the genital or anal opening of the body of another person, forcibly and/or against that person's will (non-consensually), or not forcibly or against the person's will in instances in which the Complainant is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    - (d) Fondling, which is defined as the touching of the private parts of another person for the purposes of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of age or because of temporary or permanent mental or physical incapacity.
    - (e) Incest, which is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.
    - (f) Statutory Rape, which is defined as sexual intercourse with a person who is under the statutory age of consent.
  2. **Dating violence** means violence committed, on the basis of sex, by a person who is or has been in a social relationship of a romantic or intimate nature with the Complainant. The existence of such a relationship shall be determined based on a consideration of the following factors: the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship. For the purposes of this definition, dating violence includes, but is not limited to, sexual or physical abuse or the threat of such abuse. Dating violence does not include acts covered under the definition of domestic violence.
  3. **Domestic violence** means conduct, on the basis of sex, that includes the requisite components of felony or misdemeanor crimes of violence committed by (a) a current or former spouse or intimate partner of the victim; (b) a person with whom the victim shares a child in common; (c) a person who is cohabitating with or has cohabitated with the victim as a spouse; (d) a person similarly situated to a spouse of the victim under

California law; or (e) any other person against an adult or youth victim who is protected from that person's acts under California law.

4. **Stalking** means a course of conduct directed at a specific person on the basis of sex that would cause a reasonable person to fear for the person's safety or the safety of others, or to suffer substantial emotional distress. For the purposes of this definition: (a) A course of conduct is two or more acts, including, but not limited to, acts in which the Respondent directly, indirectly, or through third parties, by any action, method, device, or means, follows, monitors, observes, surveils, threatens, or communicates to or about a person, or interferes with a person's property; (b) Reasonable person means a reasonable person under similar circumstances and with similar identities to the Complainant; and (c) Substantial emotional distress means significant mental suffering or anguish that may but does not necessarily require medical or other professional treatment or counseling.

**Student/Students** means any as any individual who has accepted an offer of admission, or who is registered or enrolled for credit or non-credit bearing coursework, and who maintains an ongoing relationship with the District.

**Third Party** means a person other than the Complainant and the Respondent.

## SCC Rates of Student Progress Student Right-To-Know Act

In compliance with the Student Right-to-Know and Campus Security Act of 1990 (Public Law 101-542), it is the policy of our college district to make available its completion and transfer rates to all current and prospective students. Beginning in Fall 2020, a cohort of all certificate-, degree-, and transfer-seeking first-time, full-time students were tracked over a three year period. Their completion and transfer rates are listed above. These rates do not represent the success rates of the entire student population at the College nor do they account for student outcomes occurring after this three year tracking period.

### 2020 Cohort Completion Rate

STATE 36.74%  
SCC 47.32%

### 2020 Cohort Transfer Rate

STATE 10.34%  
SCC 11.59%

Based upon the cohort defined above, a Completer is a student who attained a certificate or degree or became 'transfer prepared' during a three year period, from Fall 2020 to Spring 2023. Students who have completed 60 transferable units with a GPA of 2.0 or better are considered 'transfer prepared'. Students who transferred to another post-secondary institution, prior to attaining a degree, certificate, or becoming 'transfer prepared' during a five semester period, from Spring 2021 to Spring 2023, are transfer students.

1. Courses for which specific prerequisites have been established,
2. Sequential course work in a degree-applicable program, and
3. Courses in which an equivalent prerequisite exists at a four-year transfer college or university.

Questions about prerequisites are best resolved with a counselor or instructor prior to the first day of class.

### PREREQUISITE CHALLENGE PROCESS / WAIVER PROCESS

A prerequisite challenge requires written documentation explaining alternative course work, background or abilities which adequately prepare the student for the course. A Prerequisite Challenge Form can be obtained from the appropriate division office. Prerequisites may be challenged for one or more of the following reasons:

1. The college has not developed the prerequisite according to its established procedures or has not developed the prerequisite in accord with existing statutes.
2. The prerequisite is discriminatory or is being applied in a discriminatory fashion.
3. The college has not made the prerequisite course reasonably available.
4. The student has documented knowledge and abilities equivalent to those specified in the prerequisite course.

The challenge will be reviewed by a committee consisting of the division dean, or designee, department chair, or designee, and one department or division representative or designee.

If space is available in a course when a student files a challenge to the prerequisite or corequisite, the district shall reserve a seat for the student and resolve the challenge in a timely manner. If no space is available in the course when a challenge is filed, the challenge shall be resolved prior to the beginning of registration for the next term and, if the challenge is upheld, the student shall be permitted to enroll if space is available when the student registers for that subsequent term.

**NOTE:** Students who are challenging a course which is a requirement for a degree or certificate may wish to use the *Credit by Examination* process to receive credit for the challenged course.

## CERTIFICATE PROGRAMS

### CERTIFICATE OF PROFICIENCY PROGRAMS

A Certificate of Proficiency is under 16 units and/or is not a State-approved program. A certificate is verification of completion in a particular subject matter. A certificate will NOT be included on the official transcript. Certificate programs include only those courses which focus on vocational skills. The certificate has the sole objective of employment in a specialized area and for this reason there are no general education requirements in a certificate program.

Santiago Canyon College certificate programs are described in the catalog under Educational Options. To qualify for a certificate of proficiency, a candidate must meet the following requirements:

1. **Courses:** Courses are designated for the specific certificate.
2. **Grades:** At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. **Pass/No Pass:** A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. **Residency:** At least 20% of the total units required for the certificate must be earned at Santiago Canyon College.
5. **Petition:** Petition for certificate filed by the student with the Graduation Office and Records at Santiago Canyon College.

### CERTIFICATE OF ACHIEVEMENT PROGRAMS

A Certificate of Achievement (16 or more units or state-approved as low as 9 units) is a verification of achievement in a particular academic or occupational area, and it will be included on the official transcript. Certificate of Achievement programs normally include only those courses which have a direct bearing upon specialized occupational competency since the certificate has the sole objective of immediate employment in a specialized area. For this reason there is no general education requirement in a certificate program. Santiago Canyon College certificate programs are described in the under Educational Options. To qualify for a Certificate of Achievement, a candidate must meet the following requirements:

1. **Courses:** Courses are designated for the specific certificate.
2. **Grades:** At least a C grade in each course required for the certificate, unless otherwise specified. Credit by Examination may also be used to gain credit for required courses.
3. **Pass/No Pass:** A Pass/No Pass course is acceptable toward the certificate if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
4. **Residency:** Twelve units completed at Santiago Canyon College. (Six units of major requirements must be completed at Santiago Canyon College.)
5. **Petition:** Petition for certificate is filed by the student with the Graduation Office and Records at Santiago Canyon College.

### Associate Degrees

Earning an associate degree, a student must fulfill the requirements listed under I, II and III below.

#### I. Unit and Residency Requirements

60 UNITS of degree applicable coursework are required, with at least a 2.0 grade point average. At least 12 of the units must be earned at Santiago Canyon College and at least 6 of those units must be in courses required for the major, unless students are earning an Associate Degree for Transfer (ADT).

#### II. General Education Requirements

The general education requirements can be met through the completion of one of the following general education plans.

- Plan A: Santiago Canyon College General Education Requirements page 40
- Plan B: California State University General Education Breadth page 42
- Plan C: Intersegmental General Education Transfer Curriculum (IGETC) page 43

The general education requirements can be met by submitting a transcript showing completion of a bachelor's degree from a regionally accredited institution or by submitting a transcript showing completion of an associate of arts or associate of science degree from a regionally accredited California institution within a ten-year period of finishing major requirements at the college.

#### III. Major Requirements

Each degree and certificate program specifies courses required for the major (a minimum of 18 units). Students must complete these courses with a grade of C or better. For programs of study leading to an associate degree see the SCC Academic Programs section of the SCC College Catalog.

A course may be used to satisfy a major requirement and meet a general education category requirement. Non degree applicable courses may not be used for graduation requirements.

**IMPORTANT NOTE:** The list of courses will be subject to change year by year, but students are assured that courses taken to meet General Education requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2024 and are valid through Summer 2025.

### Associate Degrees for Transfer

Earning an associate degree for transfer, a student must fulfill the requirements listed under I, II and III below.

#### I. Unit and Residency Requirements

60 UNITS of CSU-transferable semester units are required, with at least a 2.0 grade point average. While a minimum of 2.0 is required for admission to the CSU, some majors may require a higher GPA. Please consult with a counselor for more information. At least 12 of the units must be earned at Santiago Canyon College.

#### II. General Education Requirements

The general education requirements can be met through the completion of one of the following general education plans.

- Plan B: California State University General Education Breadth page
- Plan C: Intersegmental General Education Transfer Curriculum (IGETC) – CSU Option\* page

\* Students who are following Plan C: IGETC and are planning to transfer to a CSU must complete Area 1C: Oral Communication CSU admissions requirement.

#### III. Major Requirements

Each degree program specifies courses required for the major (a minimum of 18 units). Students must complete an "AA-T" or "AS-T" major as detailed in the program section of the catalog. Completion of these courses must be done with a grade of C or better. (Title 5 § 55063)

### Petition For Graduation and Catalog Rights:

Students must submit a Petition to Graduate to earn an associate degree, certificate, CSU Certification and/or IGETC Certification. Petitions for graduation should be filed in the Office of Admissions and Records at Santiago Canyon College when a student has completed at least 30 units or one semester prior to the expected semester to graduate. Students who maintain continuous enrollment have the option to meet the associate degree or certificate requirements as listed in the catalog in effect at the time of first enrollment or any subsequent year.

**Continuous enrollment** is defined by earning a notation on a transcript (letter grade, W, NP, P or I) for at least one course during any semester, or session, within that academic year. An academic year begins with the fall semester and concludes with the summer session. So long as the student remains in attendance in any one semester (fall/spring) or term (summer/intersession) per academic year, the student has the ability to elect to meet the graduation requirements in effect at the time beginning his/her continuous enrollment or in more recent catalog years.

If a student does not earn a note on their transcript during any of the semesters, or sessions, during an academic year, then the student is no longer protected by previous associate degree and/or certificate requirements and will be held to the additional requirements. The student must then reset their catalog rights clock to use the catalog at the time of readmission or subsequent enrollment.

In the event a loss of catalog rights due to extenuating circumstances, a student wishes to waive or substitute a requirement for an associate degree and/or certificate, the student could complete the appropriate form and submit to the Exceptions for Academic Regulations (EAR) Committee for final determination.

#### Commencement

Commencement is held once a year at the end of the spring semester for those students who have completed or petitioned for a degree during the current academic year (Fall 2024, Spring 2025, or Summer 2025). A Petition to Graduate to participate in commencement must be submitted to the Admissions and Records Office. Exceptions may be made to accommodate students petitioning for Fall 2024.

**NOTE: Transcripts from all colleges attended must be on file.**

The information above was in effect at press time. Please consult a counselor before enrolling.

### CERTIFICATION REQUIREMENTS

1. Santiago Canyon College is authorized to certify the maximum of 39 to 40 California State University general education units. Certification means SCC has verified that a student has completed the lower-division general education requirements for the CSU system.
2. Requests for certification should be made at the Admissions and Records (A&R) Office, (E-101) during the semester prior to the last term of attendance. Please consult the class schedule or the Counseling Department for deadline information.
3. Courses taken at other California Community Colleges will be applied to the subject areas in which they were listed by the institution where the course was completed.
4. Certification of coursework from other colleges will be granted to students whose last community college of attendance prior to transfer is Santiago Canyon College.
5. Courses taken at other regionally accredited institutions (which do not maintain a CSU certification list) may be approved for certification via a "Pass Along Petition." Consult with a counselor for additional information. Courses completed at foreign institutions are not acceptable for certification.
6. All courses taken in Areas A and B4 must be completed with a grade of "C" or better. A grade of "P" (Pass) is acceptable if it is equivalent to a grade of "C" or higher at the institution where the work was completed. Acceptable courses from non-California community colleges may be completed with a minimum grade of "C-" in these areas.
7. Pass/No Pass grades are accepted for certification in all areas; however, four-year institutions may recommend or require letter grades for specific courses in a given major and/or general education areas (A1, A2, A3, and B4). Consult with a counselor.
8. Students seeking the Biology AS-T only need to complete the following CSU General Education Breadth requirements:
  - All courses in Areas A, B, E, and F; and
  - One course in Area C1-Arts and one course in Area C2 Humanities; and
  - One course in Area D

# ACADEMIC PLANNING (continued)

## INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

## PLAN C —2024-2025

Completion and certification of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from Santiago Canyon College to a campus in either the CALIFORNIA STATE UNIVERSITY or the UNIVERSITY OF CALIFORNIA system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission to a UC campus. Students are strongly encouraged to meet with a Santiago Canyon College counselor when planning to transfer to a UC campus.

**IMPORTANT NOTE:** The list of certifiable courses will be subject to change year by year, but students are assured that courses taken to meet IGETC requirements will be honored if they are approved for the academic year in which they are taken. Courses on this list are approved beginning Fall 2024 and are valid through Summer 2025.

### CERTIFICATION REQUIREMENTS

1. Complete all courses used for IGETC certification with a minimum grade of C (C minus is not acceptable). A "Pass" is acceptable providing it is equivalent to a grade of C or higher.
2. Request certification from the last California community college you attend prior to transfer to CSU or UC. Requests should be made to the Office of Admissions and Records during the semester prior to the last term of attendance. Please consult the class schedule or the Santiago Canyon College Counseling Department for deadline information.
3. Prior to requesting certification, have official transcripts on file from every high school and college you have attended.
4. Courses taken at other California community colleges will be applied to the subject areas in which they are listed by the institution where the work was completed.
5. A course taken at other regionally accredited institutions (which do not maintain an IGETC certification list) may be approved for certification via a "Pass Along Petition" and after a review by the Santiago Canyon College Articulation Officer. Pass Along Petitions are available from the Santiago Canyon College Counseling Department and must be accompanied by the appropriate documentation.
6. Courses completed at foreign institutions are not acceptable except for certification of competence in a language other than English.
7. Completing IGETC prior to transfer is strongly recommended and can be advantageous in the admissions process. Partial certification is permitted if the student has completed all but two courses on the pattern. Please see a Santiago Canyon College counselor for guidelines.
8. Students completing the Associate in Science Biology for Transfer (11856) degree only need to complete the following IGETC areas to earn the degree:

- All courses in Area 1 (except 1C for UC bound students), Area 2, Area 5, and Area 7
- Two courses in Area 3A and Area 3B
- Two courses in Area 4 from two different disciplines.

Deferred lower division GE courses must be replaced with calculus and/or science courses required by the major before transfer. Postponed GE courses are completed after transfer.

\* Indicates that transfer credit may be limited by either UC or CSU or both.

+ Courses with a plus sign next to it indicates it is in two different GE areas, but it could only be counted for one GE area

**Area 5A, 5B, 5C:** underlined courses have laboratory activity.

# FINANCIAL ASSISTANCE

## The California College Promise Grant (CCPG)

Formerly known as the Board of Governors Fee Waiver. There are three ways for California residents to qualify to have their enrollment fee waived at SAC and SCC. Submit the completed CCPG form to the Financial Aid Office for Method A and Method B.

### METHOD A UNTAXED INCOME

You are eligible if you complete the CCPG application and provide the required documentation showing you or your family are receiving TANF, Cal Works, SSI/SSP, or General Relief. You also are eligible for a dependent's fee waiver if you have certification from the California Department of Veteran Affairs or the National Guard Adjutant General or if you are a recipient, (or a child of a recipient) of the Congressional Medal of Honor or a dependent of a victim of the September 11, 2001 terrorist attack. Additionally, you are eligible as a dependent of a deceased law enforcement/fire suppression personnel killed in the line of duty. Verification of benefits is required.

### METHOD B FAMILY INCOME

To be eligible, you must complete the CCPG application, signing a statement, under penalty of perjury, that the income information is true and that the family income does not exceed the state income standards determining eligibility.

### METHOD C FINANCIAL AID APPLICANT

Complete the FAFSA or Dream Act application process, and provide the Financial Aid Office with all requested documentation. Once the needs analysis is calculated, applicants with at least \$1,104 of unmet need will be awarded a CCPG C, which pays the Enrollment Fees for the entire academic year and provides a refund to students who have already paid their fees.

In order to remain eligible for the California College Promise Grant (CCPG), you must be meeting academic standards. If for two consecutive primary terms, you are placed on Academic or Progress probation, or any combination thereof, you will lose your CCPG Fee Waiver eligibility.

If you lose your CCPG eligibility for not meeting academic standards, you may appeal. Also, appeals will be reviewed that have documented extenuating circumstances. For example, verified cases of accidents, illnesses, or other circumstances that might include documented changes in the student's economic situation or evidence that the student was unable to obtain essential student support services. Extenuating circumstances also include special consideration of specific factors associated with Veterans, CalWORKS, EOPS, and DSPS student status.

If you are a Foster Youth, you are not subject to the loss of CCPG Fee Waiver for not meeting academic or progress probation.

### The Financial Aid Application Process: Apply Now for 2024-2025

In order to apply for any financial aid program, you must complete the FAFSA ([www.studentaid.gov](http://www.studentaid.gov)) or California Dream Act Application ([dream.csac.ca.gov](http://dream.csac.ca.gov)) online by June 30, 2025. If you are required to use your parent(s) income information, refer to the federal IRS Income Tax Forms or use the IRS Data retrieval tool (FAFSA Only). The state Cal Grant application process requires you also submit GPA verification. If you have completed 16 degree-applicable units at Santa Ana College or Santiago Canyon College, your GPA will automatically be submitted to the state. If not, you will need to submit your high school GPA on the paper GPA Verification form. **Cal Grant deadlines are March 2nd (maximum opportunity) and September 2nd (limited number of awards).**

Once you have applied for financial aid, the FAFSA processor will send you a Student Aid Report (SAR). The SAR includes your Student Aid Index (SAI). An SAI is used to determine your Pell Grant and CCPG C eligibility. The California Student Aid Commission will notify you of your Cal Grant eligibility. Each college you have listed on the FAFSA or Dream Act may SEND you additional forms to be completed and turned into the Financial Aid Office. After all required documents have been processed; you will be awarded the financial aid programs you are eligible for and an Award Letter will be emailed to you.

If your family circumstances have changed, due to illness, loss of a job, etc., ask about "Special Circumstances" that could affect your eligibility.

### Withdrawals and Repayments of Financial Aid Funds

Federal regulations may require students to repay federal funds if they drop, fail or withdraw (in any combination) from all classes; drop classes after disbursement; or are dropped by the instructor due to excessive absence, or given an F grade with a Last Date of Attendance prior to the end of the term. Based on the date of the COMPLETE WITHDRAWAL, the Financial Aid Office is required to determine the amount, if any, of "unearned" federal financial aid received by the student. A calculation will be completed to determine if the student is required to repay any funds. Please refer to the sec catalog for more information.

Students who successfully complete at least 6 units each semester, may not be required to repay a portion of the funds received. Dropping below half-time will affect the amount awarded and may disqualify you from certain programs.

### General Eligibility Requirements:

- Be a US citizen or eligible non-citizen. (FAFSA only) or AB540 eligible (Dream Act only).
- Must have a high school diploma; pass a GED exam or the California High School Proficiency Exam.
- Have a valid Social Security Number. (FAFSA only)
- Meet Satisfactory Academic Progress requirements.
- Not be in default on any federal student loan or owe a refund on any federal grant funds.
- Be enrolled in an eligible program of study leading to a degree, transfer, or a certificate.
