GOVERNMENT GRANTS & SUBSIDIES FOR ELDERCARE

This workshop is designed to educate, clarify, and empower you with options and directions. Learn special laws that can eliminate spend down, forfeiture, penalties, and liens. Educate yourself and take that first step towards protecting your family, your home and your savings from the devastating cost of long term care. Millions of dollars in government funds go unclaimed and unused every year, only because people don't know they exist or how the application process works. This program is available for everybody who needs nursing home eldercare. Learn how the long term healthcare system works, and how to legally make it work for you. Registered students taking the ONLINE class will receive a zoom link to access class.

ESSENTIAL OIL BATH BOMBS

Come learn all about the benefits of essential oils, combined in this fun and relaxing way to use them. In this workshop, you will customize & make your batch of bath bombs, choosing from an amazing selection of essentials oils & colors. Each batch makes at least five bombs - more if you use a smaller mold. Everything you need is supplied. What does a bath bomb actually do? Once dissolved in water, bath bombs release citric acid which fizzes up and helps loosen damaged layers of skin. The oils in bath bombs also tend to be super moisturizing, and basking in a tub of hydrating oils will leave your skin feeling soft and supple. Bath Bombs provide you with an experience that combines natural ingredients with escape worthy fragrances - self care at its finest. When you take the time to treat yourself to a warm bath, you can feel happier and more relaxed.
