Who May Enroll?

Anyone 18 years old and over can enroll in continuing education classes. Students currently enrolled in high school can attend continuing education classes with special request from their high school and approval from continuing education administration. All classes are tuition free and most classes are open-entry/open-exit. Enrollment is on a first-come, first-served basis. Times listed for classes are subject to change without notice from the administration.

Attendance Policy

Students are expected to attend all class meetings. Students who are enrolled and do not attend on the first class session may be dropped.

Textbooks and Supplies

In classes where textbooks are used, instructors will provide information on how students can purchase them.

Class Cancellation Policy

Classes without sufficient enrollment may be canceled.

Disabled Students Policy

Disabled Students Programs & Services (DSPS) provides instructional support services and academic accommodations to students with disabilities. Students are responsible for requesting services and providing disability verification. To apply for services, students must meet with a DSPS professional to have their needs evaluated. Assessment for learning disabilities eligibility is available to students experiencing ongoing academic difficulties. To request services, contact the office of Disabled Students Programs and Services at 714-628-4860.

Photography

Santiago Canyon College Division of Continuing Education, a non-profit California Community College, reserves the right to use photography and video images of students and visitors, age 18 and older, taken on our property and at college sponsored events for marketing and promotional purposes. Objection to the use of an individual's photograph may be made in writing to Public Affairs and Publications, RSCCD District Office, 2323 N. Broadway, Suite 408, Santa Ana, CA 92706.

Class Schedule

The Rancho Santiago Community College District has made every reasonable effort to determine that everything stated in this class schedule is accurate. Courses and programs offered, together with other matters contained herein, are subject to change without notice by the administration of the Rancho Santiago Community College District for reasons related to student enrollment, level of financial support, or for any other reason, at the discretion of the District.

Nondiscrimination Policy

The Rancho Santiago Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities. The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics. The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination. No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics. Inquiries regarding compliance and/or grievance procedures may be directed to District's Title IX Officer and/or Section 504/ADA Coordinator, 2323 N. Broadway, Santa Ana, CA 92706, 714-480-7490.

OUR MISSION

The mission of Santiago Canyon College, Division of Continuing Education is to offer a variety of tuition-free noncredit classes, programs, and services that enable students to maximize their potential by acquiring the necessary technical and academic skills to reach their personal, educational, and career goals so they can benefit from, and contribute to, a changing American society as productive, active members of their communities.

All classes are 100% tuition-free to adults and concurrent high school students living in California. Classes are offered in online formats and in-person at three major locations and at numerous community sites throughout Orange, Anaheim Hills, Garden Grove, and Villa Park.

GETTING STARTED IS EASY!

All you need is a device with internet access to apply. Simply visit our website, select a class, and follow the steps to complete your application. No matter where the classes are held, students can register at any of our three Continuing Education sites.

STEPS TO REGISTER

1. Find a Class

Click the 'REGISTER NOW' button to search for classes. You can also visit the program pages to learn about the classes each program offers.

2. Complete the Application

Select your class(es), then complete and submit the application. Requires access to your personal email. Check your email to confirm your registration.

3. Confirm your Registration

You will receive an email from oeadmissions@rscgd.edu. Click the link on that email to confirm your registration. You must confirm your registration so that it's forwarded to Admissions & Records for processing. Please allow 1-3 days to receive a confirmation email when you are registered for class(es). The email will include your student ID, school email address (which is your username), teacher's contact information, and the instructions to join or start your class. The first time you register for a class, you will also receive an email with your student ID number and school email. You will need your school email and password to access your Self-Service or CANVAS account.

Self-Service allows you to add more classes instantly without reapplying or wait time.

CANVAS allows you to access your Online classes.

Did not Receive an Email?

If you do not receive an email within 3 days contact Admissions & Records at: oeadmissions@rscgd.edu or call **(714) 628-5900**.

CURRENT STUDENTS:

Search and Register for classes using **Self-Service**. You will need your school email address and password to login. For help using Self-Service, click the QR code or visit **SCCFORME.COM** and click the **Self-Service** link.

If you have difficulty using Self-Service, please contact the Welcome Center at **(714) 628-5994** or email welcomecenter@sccollege.edu

CONTINUING EDUCATION PROGRAMS

All classes are 100% tuition-free to adults and concurrent high school students living in California. Classes are offered in online formats and in-person at three major locations and at numerous community sites throughout Orange, Anaheim Hills, Garden Grove, and Villa Park.

LEARN ENGLISH FOR THE REAL WORLD

All levels welcome in these educational classes that will help you improve your listening, speaking, reading, and writing skills.

Prepare to pass your Citizenship Test.

EARN YOUR HIGH SCHOOL DIPLOMA

A high school diploma equals more opportunities!

Flexible class options, tutoring, and counseling support available. Fast Track courses, Finish a class in half the time of a full semester.

PREPARE FOR YOUR HISET/GED EXAM

Earn your High School Equivalency certificate in as little as 4 months.

The exam and our classes are offered in Spanish and English.

FIND YOUR NEXT OPPORTUNITY WITH CAREER ED

Build workforce skills or train for a new career. State certificate options in Advanced Manufacturing, Financial Advising, Digital Marketing, Nursing Assistant, Medical Billing and more!

PROGRAMS FOR ADULTS WITH DISABILITIES

Get workforce training needed for employment. Learn communication and technology skills. Develop academic skills to prepare for college.

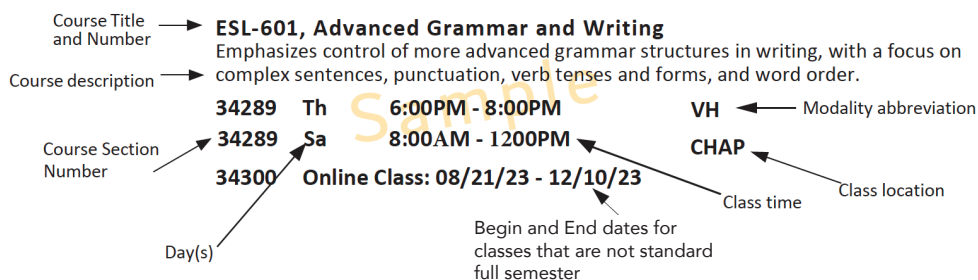

LEARN A NEW HOBBY. STAY FIT. HAVE FUN

The Older Adults program offers classes in art, sewing, weaving and more! Classes are available on-campus at Santiago Canyon College and at community sites throughout Orange, CA.

HOW TO READ COURSE MEETING INFORMATION

Classes have different meeting modalities which include, On-campus, Online, Remote Live, Hybrid, Virtual Hybrid and Hyflex. Modality descriptions are located below. Please check the class meeting times and location carefully to be sure you report or join the class as indicated. Site locations, abbreviations, and addresses are listed, on page 24.

CLASS MODALITIES OFFERED

Whether it's work, family or school, it can be hard to fit in time for learning. We offer different class modalities to match your schedule and learning style.

ON-CAMPUS

This type of class takes place in a classroom, on campus, or at a community site in or around Orange, CA. Refer to list of Sites (page 27)

ONLINE

This class is 100% online. There is not a set class time. You are assigned activities and communicate with your teacher using Canvas, an online learning platform.

REMOTE LIVE (RL)

This is just like an on-campus class but instead of meeting in a classroom each session, you meet on Zoom.

HYBRID

Part of this class takes place on campus at a scheduled time. Part of this class is online. You are assigned activities using Canvas, an online learning platform.

VIRTUAL HYBRID (VH)

Part of this class is on Zoom at a scheduled time. Part of this class takes place online. You are assigned activities using Canvas, an online learning platform.

HYFLEX (Hybrid)

This class is held at one of our campuses or community sites. The classroom has a special camera set up so students can choose to attend class in-person or via Zoom.

ONLINE LEARNING WITH CANVAS

When you study in-person, you go to a classroom to learn. With online learning, you use Canvas. Canvas is a learning management system used for online learning to access your coursework and communicate with your teacher and classmates. Canvas is also where you go to complete required weekly assignments. If you want to take an online class but haven't used Canvas before, no worries. We can help you get started. Learn more about Canvas at: sccollege.edu/oecwelcome or contact the Student Welcome Center at 714-628-5994 for assistance.

Where can I access Canvas?

Option 1: Scan the QR Code

Option 2: go to rscdd.instructure.com

What is my username and password for login?

Your username is your school email address.

The first time you register for a class, a student email address is automatically created for you. Your student email is made up of your initials, 5 numbers + @student.sccollege.edu. For example: ch37797@student.sccollege.edu

Your password is your birthday. For example, if your birthday is April 6, 1990, your password will be: [Apr061990](#)

SUPPORTS YOU NEED

Student Welcome Centers

Our Welcome Centers provide services to help students succeed in class. This includes technology assistance, registration support, and help completing various applications.

Locations: Room 203 at the OEC Provisional Education Facility (Chapman Center)

Room U-84 at Santiago Canyon College sccollege.edu/cewelcome • 714-628-5994

Counseling Department

The Continuing Education Counseling Department provides students the necessary guidance to support their academic, personal, and vocational/career goals. Counselors will work with students to complete an orientation, assessment, and develop an individualized educational plan.

sccollege.edu/cecounseling • 714-628-5999

Student Transition & Registration Services (STARS)

The decision to transition to Santiago Canyon College is a big step and some students may not be familiar with the application process. Counselors are available to guide students with each step of the transition process, including academic program pathways, assistance with online applications for admission and financial aid, scheduling new student orientations, and registering for classes.

sccollege.edu/cecounseling • 714-628-5929

Childcare Center

Rancho Santiago Community College District Child Development Services offers a Part-Day & Full Day Early Education program for children ages 18 months to 5 years at various locations. Sliding fee scale for families who qualify.

rscdd.edu/childdevelopmentservices • 714-480-7548

Graduation Office

The Graduation Office verifies and reviews student academic records to award the high school diploma degree and/or State of California approved certificates.

sccollege.edu/cegraduate • 714-628-5943

Laptop Loaner Program

Provides laptop computers to current students studying in a hybrid, online, or remote live class.

sccollege.edu/laptop • 714-628-5994

Rising Scholars

This program provides a wide range of support services including educational and community resources to students that have been justice-impacted and/or formerly incarcerated.

sccollege.edu/risingscholars • 714-628-1048

Admissions & Records (A&R)

The Admissions & Records office supports new and returning students with the registration process and updating or accessing their student records. Admissions services are available at: OEC Provisional Education Facility (Chapman Center), Santiago Canyon College (room U-80), and College and Workforce Preparation Center (CWPC). See page 3 for location details.

EARN YOUR DIPLOMA

The Adult High School Diploma Program at Santiago Canyon College is approved by the California Community Colleges Chancellor's office. Santiago Canyon College is accredited by the Accrediting Commission for the Western Association of Schools and Colleges. Diplomas are issued by the Rancho Santiago Community College District to students who complete the required course of study and demonstrate proficiency in basic skills. Graduation ceremonies are traditionally held each spring.

Earn your high school diploma with Continuing Education! To graduate, you need to earn 160 credits. You get credits by completing courses in subjects like Math, English, Science, and History. You can also receive credits from other sources including:

- Courses completed at another school in the U.S. or abroad
- Work completed with the Armed Forces

Scan the QR code or go to page 4 for registration details.

HIGH SCHOOL DIPLOMA

STEPS TO REGISTER IN THE ADULT HIGH SCHOOL DIPLOMA PROGRAM

1. Go to sccollege.edu/hsd Register for a New Student Orientation Session and attend the orientation.
2. Order official transcripts from a previous school (s) You can forward a copy of your transcripts to our SCC-Continuing Education Counseling Office through **Parchment: <https://www.parchment.com>**
3. Meet with a counselor to review transcripts, complete an education plan, and select your classes.
4. Attend and complete the classes required.

FAST TRACK TO YOUR DIPLOMA

- Finish a class in half the time of a full semester
- Focus on fewer classes at a time
- Finish with 4 courses in a semester
- Two Fast Track sessions offered
- 100% online

DUAL ENROLLMENT PROGRAM

Students enrolled in the High School Diploma Program at SCC-Continuing Education qualify to take college-level courses to get a head start on college, explore an interest, or fulfill a high school requirement. Students can take courses at the Santiago Canyon College campus, or online. Students will be able to earn college credit; explore careers, majors, and interests; strengthen their high school transcripts and academic performance; and save money!

Students also qualify for free textbooks through this program. Ask your counselor how to qualify for this program.

Scan the QR code or go to page 4 for registration details.

ADULT HIGH SCHOOL DIPLOMA GRADUATION REQUIREMENTS

All students are required to complete 160 credits and pass 3 proficiencies to graduate from SCC Continuing Education. A minimum of 20 credits must be completed in residency at Santiago Canyon College. This requires that a student take a minimum of four 5-credit courses. Only one class challenge can be applied for residency requirements.

Challenging Courses By Examination

If you feel you have previously acquired the knowledge in a course needed for graduation, you may earn credits for the class by challenging the course by examination if the course is on the list of approved "Challenge Courses." You may not challenge a course in which you have completed some of the coursework. To challenge a class you must have written approval from your counselor and arrangements will be made with the instructor, according to department policy.

Class Options

Online

This type of class has no set time. You are provided assignments to be completed on a weekly basis. A typical online class will require approximately 20 hours per week of work. You can easily connect with your teacher for support via Zoom and on Canvas.

On-Campus

You study in a classroom and work on coursework at your own pace.

Teachers and instructional assistants are available for one-on-one support.

COURSES	CREDITS
English (a maximum of 10 credits of reading; must include at least one composition course)	40
Natural Sciences (One Biological and One Physical Science)	20
Mathematics	20
Social and Behavioral Science	30
Humanities	10
Electives	40
TOTAL CREDITS	160
PROFICIENCIES	
Composition	Pass
Mathematics	Pass
Reading	Pass

Locations:

Santiago Canyon College, Room U-79

8045 E. Chapman Ave., Orange, CA 92869

Monday to Friday: 8:30AM - 12:30PM

Monday to Thursday: 5:00PM - 9:00PM

CAREER EDUCATION

A new career equals new opportunities. The Career Education Department offers a variety of California state-approved certificate programs in multiple industries. All programs are 100% tuition-free for adults living in California. For more information about the certificates listed below, visit: sccollege.edu/career

MEDICAL OCCUPATION CERTIFICATES

Behavior Technician

This certificate prepares students for a certification exam and frontline work in the field of applied behavior analysis. This is an entry-level program designed to meet national training requirements for certification as a behavior technician.

VMED-080, Intro to the Behavior Technician Program

VMED-081, Behavior Technician Certification Training

Caregiver / Personal Care Aid

This program prepares students to assist the elderly, convalescents, or persons with disabilities with daily living activities at the person's home or in a care facility.

VMED-030, Intro to Caregiving

VMED-031, Caregiver Training

Lactation Educator Specialist

The Lactation Education Specialist Program prepares students, who are interested in working to promote health and wellness for families, to become lactation educators.

VMED-100, Lactation Educator Specialist I

VMED-101, Lactation Educator Specialist II

Lactation Practitioner

The Lactation Practitioner Certificate is designed for individuals pursuing the International Board Certified Lactation Consultant (IBCLC) credential. The program focuses on the 300 hours of supervised clinical practice, and six noncredit health science subjects required for certification. Candidates must also complete 95 hours of lactation-specific education, including 5 hours focused on communication, as well as eight academic credit health science courses (e.g., Biology, Human Anatomy, Human Physiology) to meet all IBCLC eligibility requirements.

VMED-103, Lactation Consultant Clinical Skills

VMED-110, BLS/CPR for Healthcare Professionals

VMED-120, Medical Documentation

VMED-121, Medical Terminology for Allied Health

VMED-122, Occupational Safety and Security for Health Professionals

VMED-123, Professional Ethics for Healthcare Professionals

VMED-124, Universal Safety Precautions and Infection Control

Lactation Consultant Education

The Lactation Consultant Education Certificate of Completion trains individuals in breastfeeding management. Comprising three classes, it meets LEAARC standards with ninety hours of lactation-specific content and five hours of communication skills for becoming an IBCLC. The program covers essential topics, including ethics, documentation, and clinical assessments, equipping professionals with practical skills to manage breastfeeding challenges effectively.

VMED-100, Lactation Educator Specialist I

VMED-101, Lactation Educator Specialist II

VMED-102, Lactation Consultant Education

Medical Assistant

The Medical Assistant Certificate is designed to provide the hands-on training, practical experience, and industry support it takes to pursue a professional healthcare career. An emphasis is placed on preparing the student to pass the examination to become a Registered Medical Assistant (RMA).

VMED-020, Overview Med Assistant Training Program

VMED-021, Medical Terminology for Medical Assistants

VMED-022, Business Procedures for Medical Assistant

VMED-023, Body Systems for Medical Assistant

VMED-024, Human Diseases and Disorders for Medical Assistants

VMED-025, Clinical Procedures for Medical Assistant

VMED-026, Surgical Assist for Medical Assistant

VMED-027, Externship for Medical Assistants

Medical Billing

Gain practical experience using computers and learning patient billing and coding software.

VBUS-119, Keyboarding Basic Windows

VMED-090, Intro to Medical Coding

VMED-091, Intro to Medical Billing

WKPR-500, Workforce Readiness

Nursing Assistant (CNA)

This certificate is designed to provide students with the clinical and theoretical knowledge to prepare for the Certified Nursing Assistant (CNA) designation. The program covers essential topics included in the Nurse Assistant Certification Exam.

VMED-010, Overview CNA Training

VMED-011, Certified Nursing Assistant (CNA) Training

VMED-110, BLS/CPR for Healthcare Professionals

Nurse Assistant Acute Care

The Nurse Assistant Acute Care program trains nurse assistants for acute care facilities, focusing on essential employability skills and direct patient care for chronically ill patients. Skills include neonatal care, postpartum care, elimination, surgery, patient admissions, transfers, and discharges.

VMED-070, Acute Care Theory for Nurse Assistants

VMED-071, Acute Care Practice for Nurse Assistants

Scan the QR code or go to page 4 for registration details.

CAREER EDUCATION

MEDICAL OCCUPATION / CLASS OFFERINGS

Scan the QR code or go to page 4 for registration details.

CAREER EDUCATION

VMED-010, Overview CNA Training

This class is designed to provide an introduction to the clinical and theoretical requirements for the Certified Nursing Assistant Program.

MEDICAL OCCUPATION / CLASS OFFERINGS

VMED-030, Intro to Caregiving

This class is designed to prepare students to assist the elderly, convalescents, or persons with disabilities with daily living activities at the person's home or in a care facility. Duties performed at a place of residence may include keeping house (making beds, doing laundry, washing dishes) and preparing meals.

85973	W	6:00PM - 8:00PM	8/24/26 - 9/18/26	VH
85971	Sa	4:30PM - 5:30PM	9/15/26 - 10/9/26	VH

VMED-031, Caregiver Training

This class is designed to provide students with hands-on experience as caregivers. Students will apply caregiver skills in a simulated caregiving environment.

85975	Sa	4:30PM - 5:30PM	9/28/26 - 11/13/26	VH
85974	Sa	4:30PM - 5:30PM	10/19/26 - 12/11/26	VH

VMED-070, Acute Care Theory for Nurse Assistants

With an emphasis on acute care theory, this course focuses on providing basic personal care in acute settings, emphasizing communication skills with peers, instructors, patients, families, and facility employees. It's the initial course in a series aimed at mastering entry-level acute care tasks.

85777	Tu	8:30AM - 4:00PM	8/18/26 - 9/29/26	SCC
85956	W	9:00AM - 12:00PM	8/24/26 - 10/16/26	VH

VMED-071, Acute Care Practice for Nurse Assistants

The course prepares students for employment in acute care facilities by teaching clinical skills and essential employability skills in healthcare. Topics include direct patient care, safety practices, neonatal care, postpartum care, elimination, surgery, and admissions procedures.

87535	Tu	8:30AM - 4:00PM	8/18/26 - 9/29/26	SCC
85779	Tu	8:30AM - 4:00PM	10/27/26 - 12/8/26	SCC

VMED-080, Intro to the Behavior Technician

The behavior technician program prepares individuals for a certification exam and frontline work in the field of applied behavior analysis.

85924	Online Class: 8/17/26 - 9/11/26			
85927	Online Class: 8/24/26 - 9/18/26			
85928	Online Class: 10/12/26 - 11/6/26			
85995	M	6:00PM - 7:00PM	10/12/26 - 12/11/26	VH

VMED-081, Behavior Technician Certification Training

The behavior technician certification training course teaches students the necessary skills required to take any of the three nationally accredited behavior technician exams.

85994	M	6:00PM - 7:00PM	8/17/26 - 10/9/26	VH
85932	Online Class: 9/14/26 - 10/9/26			
85933	Online Class: 9/21/26 - 10/16/26			
85934	Online Class: 11/9/26 - 12/11/26			

VMED-090, Intro to Medical Coding

Introduces the student to concepts of medical coding that can be combined with medical billing by using coding knowledge and skills that align with the medical billing workflow.

85976	Tu	7:30PM - 8:30PM	8/17/26 - 10/23/26	VH
85977	W	8:00PM - 9:00PM	10/12/26 - 12/18/26	VH

VMED-091, Intro to Medical Billing

Introduces students to concepts and skills needed for a successful career in medical office billing. Students will learn current procedural terminology, the general flow of information in a medical office, and the role of computers.

85978	W	7:00PM - 8:00PM	8/17/26 - 10/9/26	VH
85979	W	7:00PM - 8:00PM	10/12/26 - 12/18/26	VH

CAREER EDUCATION

Solar Installation Technician

The Solar Installation Certificate program begins with foundational training in Solar Installation I, covering principles of solar energy, system components, safety protocols, electrical basics, and residential installation techniques. Solar Installation II has an emphasis on designing, installing, and maintaining off-grid and battery-based systems, including battery technology, system sizing, energy management, and troubleshooting.

Completing this series equips students with the knowledge to pursue a career as a solar photovoltaic installation technician.

VECU-10, Solar Installation I

VECU-011, Solar Installation II

VECU-010, Solar Installation I

This program aims to provide students with the foundational skills and knowledge required to become a solar photovoltaic system installer. It covers the principles of solar energy, system components, safety protocols, electrical basics, and installation techniques for residential solar panel installations.

86266 **Online Class:** 8/17/26 - 10/9/26

VECU-011, Solar Installation II

Solar Installation II focuses on the design, installation, and maintenance of off-grid and battery-based solar systems. It covers advanced topics such as battery technology, system sizing, energy management, and troubleshooting, with an emphasis on creating efficient and sustainable solar solutions. It is the second course in a solar installation series that prepares students to enter a solar photovoltaic installation technician career.

86267 **Online Class:** 10/12/26 - 12/11/26

Solar Sales Representative

The Solar Sales Certificate program begins with Solar Sales I, where students learn essential skills for designing and selling grid-tie solar systems, including fundamentals of solar energy, financial analysis, customer assessment, and proposal development. Solar Sales II advances to the specialized field of selling and estimating off-grid and battery-based solar systems, focusing on tailored sales proposals, battery technologies, and promoting energy independence. Both courses prepare individuals for a career in solar sales, equipping them with comprehensive knowledge to create compelling and customized sales proposals.

VECU-020, Solar Sales I

VECU-021, Solar Sales II

VECU-020, Solar Sales I

This course will teach students the essential skills for effectively designing and selling grid-tie solar systems. It covers solar energy fundamentals, financial analysis, customer energy consumption assessment, proposal development, and the articulation of financial incentives, such as tax credits and return on investment. The course is designed for individuals pursuing a career in solar sales, equipping them with the tools and knowledge to create compelling sales proposals.

VECU-021, Solar Sales II

This course introduces students to the specialized field of selling and estimating off-grid and battery solar photovoltaic systems. Students will gain expertise in assessing customer needs, developing tailored sales proposals, understanding battery technologies, and discussing the benefits of energy independence. It is the second course in a solar sales series that prepares students to enter a solar photovoltaic system sales career.

WORKFORCE PREPARATION PROGRAM

Workforce preparation skills are the skills and habits you need to be successful in the workplace. These skills help you prepare for many different jobs and career paths. Workforce preparation is not training for one specific job. It focuses on skills that employers value in all industries.

WKPR-500, Workforce Readiness

Provides instruction in office skills for employment preparation. Students will learn communication, decision making, interpersonal, leadership, lifelong learning, and job seeking skills.

76740 **Online Class:** 10/12/26 - 12/11/26

86739 **Online Class:** 8/17/26 - 10/9/26

WKPR-501, AI for Workforce Success

This course helps students learn AI and job skills for today's workplace. Students will use AI tools to write resumes and cover letters, prepare for interviews, and improve communication and teamwork. The course also teaches important soft skills like leadership, problem-solving, and adaptability. Students will learn to use AI safely and responsibly to support their job search.

86954 TH 6:30 PM - 8:00 PM VH

WKPR-502, Workforce Readiness for Healthcare Occupations

This course helps students prepare for jobs in healthcare. Students will learn important skills like communication, teamwork, professionalism, and problem-solving for clinics and care settings. The course also covers cultural awareness, workplace communication, and job skills such as resumes, interviews, and online presence. Students will practice professionalism, empathy, confidentiality, and flexibility at work.

86738 **Online Class:** 8/17/26 - 12/4/26

WKPR-508, AI for Daily Life and Work

This course teaches adult learners how to use artificial intelligence (AI) in daily life and work. Students will learn what AI is, how it works, and how it is used in communication, organization, health, money, and work. Students will practice using AI tools to set goals, manage time, track health, and plan finances. The course also focuses on safe and responsible use of AI and building confidence with digital skills for school, work, and life.

86955 Th 6:30 PM - 8:00 PM VH

WKPR-510, Online Learning Skills 1

Prepares learners to develop basic digital literacy skills for remote learning, completing tasks in an LMS, navigating the college website, and using Zoom for virtual classes. These skills provide a foundation for success in remote learning and workplace environments requiring digital literacy skills.

86701 F 9:30AM - 11:30AM ZOOM

WORKFORCE PREPARATION

PROGRAM FOR ADULTS WITH DISABILITIES

Scan the QR code or go to page 4 for registration details.

PROGRAM FOR ADULTS WITH DISABILITIES

In this program students develop workforce training needed for employment and academic skills needed for college. Students will also build communication and technology skills needed for work, school and daily life. To learn more about the Adults with Disabilities program, visit: sccollege.edu/awd or scan the QR code on this page.

To participate in courses offered, it is recommended that students meet the following criteria:

- Likely to benefit from group instruction.
- Ability to independently perform schoolwork with minimal assistance.
- Ability to follow directions and learn tasks.
- Attention span to participate in hour-long classes in a setting with distractions.
- Language comprehension skills to participate in the educational program.
- Receptive and expressive language skills.
- Behavioral and emotional responses in compliance with the SCC Student Code of Conduct.

WKPR-002, Self-Advocacy AWD

Students will learn how to communicate in a respectful and responsible way, learn rights and employment laws that pertain to people with disabilities and identify advocacy groups.

86715	Tu Th	12:00PM - 2:00PM	SCC
86710	M Tu W Th F	2:30PM - 3:00PM	*RADY
86718	M Tu W Th F	2:30PM - 3:00PM	*RADY

WKPR-003, Navigating the Globe AWD

Builds independence and confidence in local and international travel. It covers trip planning, safety, transportation (cars, buses, trains, planes, rideshare), maps and schedules, travel documents, budgeting, and traveler etiquette. Field trips may be required.

86725 **Online Class: 8/17/26 - 12/4/26**

WKPR-004, Exploring Career Paths AWD

This course helps students set clear occupational goals by assessing their interests and abilities. They will establish achievable objectives and explore employment resources in their chosen field.

86736	Online Class: 8/17/26 - 12/4/26		
86713	Tu Th	8:30AM - 10:00AM	*RADY

WKPR-005, Safety on the Job AWD

This course is designed to introduce students to personal safety awareness. Students will be presented with proactive steps to take to avoid dangerous situations in the community, on the job, and at home.

86717	M W	12:00PM - 2:00PM	SCC
86720	M W F	8:00AM - 10:00AM	*RADY

WKPR-006, Job Communication Skills AWD

This course is designed to help students improve communication skills related to employment.

86737 **Online Class: 8/17/26 - 12/4/26**

WKPR-007, Workplace Etiquette AWD

Engaging course that builds social skills for success in school, work, and the community. Students practice communication, teamwork, and problem-solving through real-life scenarios, role-playing, and activities to build confidence and positive relationships.
