# HISTORY OF SANTIAGO CANYON COLLEGE

Like many California Community Colleges, Santiago Canyon College grew out of a need to serve members of a growing community. Santiago Canyon College's journey began in 1971 after the Orange Unified School District joined with the Santa Ana Unified School District to create the Rancho Santiago Community College District. Later in that year, supporting their vision for higher education in their community, residents of the City of Orange voted to levy a self-imposed tax to purchase the original 30 acres of land in East Orange that would ultimately become the foundation for Santiago Canyon College.

By 1985, the Rancho Santiago Community College District (RSCCD) developed the land in East Orange to create the Orange Campus. As the second campus in the Rancho Santiago Community College district, the Orange Campus' first semester saw more than 2,500 eager students take a variety of general education, transfer, and vocational courses. Then, from 1985 to 1996, the Orange Campus experienced tremendous growth as the student population more than doubled. As a result of this veritable growth, the Rancho Santiago Community College District Board of Trustees unanimously voted to change the name of the Orange Campus to Santiago Canyon College and, therefore, created a multi-college structure for the Rancho Santiago Community College District. SCC was independently accredited in 2000.

In addition to Santiago Canyon College's multiple offerings, the campus landscape has also evolved so as to better meet the changing needs of students and community members. In order to provide students and the surrounding community with the space to embrace their life-long educational pursuits, Santiago Canyon College's grounds have grown from its earlier 30 acres to 82 acres. In November, 2002, voters in the college district voted to approve measure E, a \$337 million bond measure to provide for renovation and new construction at both Santiago Canyon and Santa Ana colleges.

The campus has undergone a dramatic physical transformation. Santiago Canyon College has developed its building inventory to 271,138 gross square feet including a state-of-the-art Science Center, Humanities Building, Gymnasium, Swimming Pool, SCC Campus Safety Headquarters, and Maintenance and Operations Facility. The College continues to improve, expand, and maintain parking, circulation, and athletic facilities to best serve students.

Santiago Canyon College has taken root in its community and, will undoubtedly be an even more integral contributor to the community's health and history for years to come. As such, Santiago Canyon College will continue to respond to and celebrate the changing demographics of its vibrant student body as well as of its diverse community. Indeed, Santiago Canyon College will seek to provide a place of learning where future generations have the opportunity to explore varied educational opportunities that enhance their professional and personal lives.

# ACADEMIC REGALIA

Academic ceremonies with their gowns, mortarboards, tassels, hoods, and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know it today, have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

In the United States, as a result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and were generally standardized about 1895.

The bachelor's gown is plain with long pointed sleeves. The master's gown is slightly fuller in cut and has long oblong sleeves open at the wrist, with an arc cut in the front. The doctor's gown is fullest, with bell shaped sleeves. It is faced down the front with black velvet and has three bars of black velvet on the sleeve, although the velvet and bars may be in the color representing the bearer's academic field. Hoods are lined with the official colors of the college or university conferring the degree, and the trimming is velvet, reflecting the color of the bearer's academic field.

# GREETINGS FROM THE PRESIDENT

*Congratulations to the Class of 2024 at Santiago Canyon College!*

*Today, as we gather to commemorate this significant occasion, we recognize more than just a milestone in your lives.*

*It's a celebration of your perseverance, bravery, and determination in pursuing and achieving your academic aspirations.*

*We honor the support of friends and family who have stood by you, guiding you through each step of your educational journey.*

*Today is about celebrating you and acknowledging your growth and ability to thrive. You are a graduating class prepared to embrace an ever-evolving future as the fourth industrial revolution gives way to the fifth, marked by a new era of collaboration between human ingenuity and technology.*

*As you walk across the stage today, you enter a community of nearly 25,000 Santiago Canyon College Alumni, each with their unique story of triumph. Carry forward the enduring connections you've nurtured through trust, camaraderie, and kindness. Take the experiences that have brought you here today and boldly forge ahead to leave a positive impact for the generations to come.*

*To the Class of 2024, may the years ahead be filled with boundless achievements and joy, and I eagerly anticipate hearing about your remarkable successes. Remember, no matter where life leads you, you'll always have a supportive SCC community cheering you on, and always keep in mind that What Happens Here Matters.*

A handwritten signature in black ink, appearing to read 'Jeannie G. Kim'. The signature is fluid and cursive, with a long horizontal flourish extending to the right.

*President, Santiago Canyon College*

## BIOGRAPHY OF DR. JEANNIE G. KIM

Jeannie G. Kim, Ph.D. was appointed President of Santiago Canyon College (SCC) in January 2023. A champion of socio-economic mobility and the building of cultural and social networks via higher education, Dr. Kim is dedicated to creating equitable systems by identifying and dismantling barriers and rebuilding the appropriate infrastructure that is necessary for historically underserved and underrepresented students, thrive – intellectually, emotionally, physically and spiritually. Dr. Kim previously served as the Interim Vice Chancellor of Educational Services and Strategic Planning and Associate Vice Chancellor of Grants and Economic Development at Riverside Community College District as well as various administrative positions throughout her 33+ year career in higher education.

As an immigrant to the U.S. with Korean as her original language, Dr. Kim was the first in her extended family to earn a doctoral degree. She earned her PhD in higher education policy, evaluation and reform from Claremont Graduate University and her master's from California State University, Fullerton and bachelor's from the University of California, Los Angeles, both in Cultural Anthropology with an emphasis on Asian and Asian-American Women.

# VALEDICTORIAN

*Santiago Canyon College (SCC) selects its valedictorian based on several criteria: grade point average (GPA), leadership, community service, honors and awards. First, all students selected for consideration have earned the highest GPAs among SCC students. The selection committee then evaluates each candidate for on-campus leadership, community service, honors and awards. The final phase is an interview by the selection committee. SCC congratulates all of the valedictorian candidates.*

## LOLA HAHN

Lola Hahn is the epitome of academic excellence and campus engagement at Santiago Canyon College (SCC). At an early age, Lola's father sparked her passion for reading which would later lead her to study English. Boasting a perfect 4.0 GPA, Lola is not only graduating with the Highest Honors but has also completed her course of study in the SCC Honors Program. Her exceptional achievements include being the recipient of the prestigious President's Scholar Award and the Virginia Coffey Award.

Lola's dedication to scholarly pursuits extends beyond the classroom. She has garnered recognition from multiple honor societies, including Phi Theta Kappa and Sigma Kappa Delta, and has showcased her exceptional public speaking skills by winning gold and bronze medals in Speech and Debate tournaments across Southern California. Embedded in the institutional fabric of SCC, Lola has served as an invaluable resource as an English tutor and editor of Talon Magazine, the college's literary journal. As a member of the Speech and Debate Team and Phi Theta Kappa, she has enriched campus life through her active participation.

Inspired by her grandfather's altruism in the legal field, Lola aspires to follow in his footsteps and effect positive change as a lawyer, guided by the principle of serving others. Acknowledging the instrumental role played by mentors like Professor William Lennertz, Professor Ralph Castellanos, Professor Jared Kubicka-Miller, and Professor Kathy Patterson, Lola extends her heartfelt gratitude to her family for their unwavering support.

As she transitions to the University of California, Irvine (UCI) to embark on the next chapter of her academic journey, Lola leaves behind a legacy of excellence, a testament to her unwavering commitment to scholarly pursuits and community enrichment. She envisions SCC not just as an alma mater but as a cherished haven where she found inspiration and belonging, shaping her into the person she is today.

SALUTATORIAN:

LILY SAMIR

# CONTINUING EDUCATION EXEMPLARY HIGH SCHOOL GRADUATE SPEAKER

*The Santiago Canyon College Continuing Education High School Speaker is selected by faculty and staff who identify students who have not only excelled in the classroom, but have shown grit and determination in obtaining their diploma. The obstacles they have overcome are many, but do not stop these students from completing their academic goals.*

## VANESA GONZALEZ

Vanesa Gonzalez, the student speaker for this year's Santiago Canyon College Continuing Education Adult High School Diploma Program, embodies a story of resilience and determination. Her journey traces back to her mother, Marianela, who arrived in the United States during the 1980 Mariel boatlift from Cuba. Settling in Orange County, Marianela built a family, eventually marrying and raising seven children, with Vanesa as the third among them.

Today, Vanesa is married to Luis, and together they raise their son, Nathaniel, and daughter, Alexia, who also shares the milestone of high school graduation this month. Supported by her family, Vanesa draws strength and motivation to excel both as a wife and mother.

Entering the Adult High Diploma Program in spring 2023, Vanesa demonstrated her academic skill by completing 40 credits and achieving a 3.2 GPA. Throughout her journey, she found passion in subjects like History and Film as Art.

Tonight, Vanesa stands proudly among the graduating class, joined by her sister-in-law Katrina Haddad. Through the guidance of her Continuing Education counselors, Vanesa embarked on a dual enrollment journey through the STARS program in Spring 2024. Currently enrolled at SCC, she pursues child development courses that align with her career aspirations.

Vanesa's success serves as an encouragement within the Continuing Education division at SCC, a testament to the dedication and support of her loved ones. She attributes her achievements to the strong work ethic instilled by her family and the encouragement of her friends.

# DISTINGUISHED FULL-TIME CLASSIFIED PROFESSIONAL AWARD

*This recognition is dedicated to the Santiago Canyon College (SCC) Classified employee who best demonstrates an excellent work performance, professionalism, dedication, consideration of others and inspiration to others to excel. Administrators, faculty and staff nominate candidates based upon this criteria and select a recipient who has exemplified the qualities sought for the award.*

## YVETTE ORELLANA

Yvette Orellana has worked at Santiago Canyon College since 2021 but her time at SCC has been a homecoming. A First-Generation college student she is an SCC alumna (Class of 2014) who made the most of her time as a student. Yvette enrolled in the Pathways to Teaching Program and earned five associate degrees, in Elementary Education, Elementary Teacher Education, and three liberal arts degrees with an emphasis in Social & Behavioral Sciences, Arts, Humanities & Communication and Mathematics & Sciences. She also earned two certificates. She transferred to California State University, Fullerton, where she earned a Bachelor of Science degree in Child and Adolescent Development, with a minor in Natural Science. She worked in different areas of education ranging from preschool through college.

Yvette missed working directly with students and working in higher education and as fate would have it, was hired at SCC where she currently works in the Counseling and Career Development office, as the Career Guidance Coordinator. A former EOPS and Pathways to Teaching cohort student, Yvette said one of her professional goals was to return to SCC to give back to the college community in the same way her mentors assisted her.

In addition to assisting students, Yvette takes pride in working with her colleagues in Counseling and Career Development, and across the SCC community. She credits the way the entire campus works together collectively in a unifying manner toward the same goal of assisting the students.

Yvette interacts with students and colleagues in the same spirit of concern and collaboration that she felt as a student at SCC, a spirit that continues to guide and encourages her to be a better person – including the consideration of continuing her education to earn a master's degree in counseling.

Her passion for SCC and her role in working to ensure students get as much support as possible to be successful through their educational journey, particularly during Early Welcome - exemplifies why Yvette was chosen as SCC's 2024 Full-Time Distinguished Classified Award recipient!

On behalf of the Rancho Santiago Community College District Board of Trustees, it is my honor to present this certificate to you. Congratulations on being recognized as SCC's Full-Time Distinguished Classified Award recipient!

# FACULTY EXCELLENCE AWARD

*The Faculty Excellence Award is the highest honor bestowed by colleagues upon a faculty member of Santiago Canyon College (SCC). Nomination criteria include service to the college, commitment to student success, curriculum development and academic leadership. Students and faculty nominate candidates, and final selection is determined by faculty vote.*

## DR. DORA ESCOBAR

The recipient of the 2024 Faculty Excellence award is Associate Professor of Counseling Dr. Dora Elena Escobar. She immigrated to the United States when she was seven years old from Medellín, Colombia. Her parents modeled sacrifice and perseverance, and they instilled hope for a better future. Even though her parents only had a middle school education, they were driven to ensure their children earned a college degree. Both her parents always told her, “sea el ejemplo para la familia” (be an example to our family) and, “la educación, nadie se la puede quitar” (no one can take your education away from you). These are powerful words for families that have sacrificed everything to give their children the opportunities they did not have. For this

reason, she keeps those words of wisdom close to her heart because her accomplishments are not just her own--they also belong to her family and community. This is what fuels her passion for student success.

Associate Professor Escobar credits her educational success to the California community college system and the programs and services, such as Puente and EOPS, that pushed her to reach her potential. She earned her associate degree from Orange Coast College and transferred to Cal State University, Fullerton to complete a Bachelors Degree in Business Administration. She pursued a Masters in Counseling degree from Cal State University, Fullerton and she became a licensed Marriage and Family Therapist in 2012. Currently, she is in the final stages of earning her EdD degree in Higher Education with a specialization in Community College Leadership from Northern Illinois University.

Associate Professor Escobar is committed to supporting the students she serves at SCC. She serves on committees such as Curriculum and Instruction Council and Student Equity and Success. She served as counseling department co-chair and District Assessment Committee co-chair. She helped develop SCC's new Equity Plan, created a general education pattern that directly supports degree completion for STEM students, created a program that streamlines degree completion for social work and human services, and spearheaded the implementation of AB705/1705. She was also awarded the SCC Adjunct Faculty Excellence Award in 2013.

The best part of her job is collaborating with students, supporting them when they are struggling, and celebrating them when they achieve their educational and personal goals. Associate Professor Escobar would like to share this award with all her colleagues - faculty, classified professionals, and administrators who work tirelessly to make SCC an institution where students can thrive and achieve their dreams, regardless of where they come from.

# FACULTY SPEAKER

*The faculty speaker is selected by a vote of the graduating class. Criteria used to select the speaker include academic excellence, ability to motivate students, and a commitment to student success.*

## KATHY SILVEY

The faculty speaker for the 2024 Commencement is Kathy Silvey. Kathy grew up in South Los Angeles and graduated from California State University, Northridge with an MA in Literature in English after locking herself in the UCLA rare books library to write her thesis which cataloged every difference between the first edition of Oscar Wilde's lover's autobiography and the handwritten manuscript of Oscar Wilde's lover's autobiography.

She taught high school English for thirteen years, surviving two school shootings before becoming a community college professor, first as an adjunct and, beginning in 2016, full-time at Santiago Canyon College where she teaches in the English and Education departments and in the Juvenile Hall program.

At SCC, Kathy enjoys trips with her students to literary festivals including LibroMobile, LA Times Festival of Books, and the Cheech Museum. She has introduced her students to guest speakers including Lalo Alcaraz and Gustavo Arellano. Kathy enjoys helping the Chicano Studies and Literature Learning Community students present their annual Dia de los Muertos event and the Women Are Lit Learning Community students present film screenings. She also performed in the SCC production of *The Vagina Monologues* and shepherded the publication of the collection of student reflections on the pandemic *Echoes of the Canyon*, which was featured on KNBC news and raised funds for the Hawks Nest Food Pantry.

Kathy has also been a co-facilitator for Learning Communities and a member of the Equity Core Team and will serve on the Academic Senate in the fall. She has advised the Black Student Union, and it is currently her great honor to be a co-advisor of MEChA de SCC.

Kathy has published poems and short stories as well as a humor column for McSweeney's Internet Tendency. Her first book of poems, *Herstories*, earned a Pushcart nomination, and her second is expected to be released this year. She is also working on a novel in flash. Her interests include literature of the African diaspora (a course coming to SCC in fall 2025), movies directed by women, Scottish islands, comic books (She presented at SD Comic Con in 2010 on *Teaching Watchmen* in First-Year Composition), and vampires (She also presented on *Buffy the Vampire Slayer* at the Hellmouth Conference).

She lives in Santa Ana with her father, brother, non-binary teen offspring, and two cats.

# ACADEMIC HONORS

**ACADEMIC HONORS AT GRADUATION:** Academic honors are awarded to students who do outstanding coursework leading to graduation from Santiago Canyon College. The graduate must have completed at least 30 units of coursework with the Rancho Santiago Community College District. A minimum of 18 units completed within RSCCD must be completed with letter grade of "C" or better.

**WITH HIGHEST HONORS:** The designation of Highest Honors is placed on the transcript and diploma of the graduate who has an overall GPA of 4.0.

**WITH HIGH HONORS:** The designation of High Honors is placed on the transcript and diploma of the graduate who has achieved an overall GPA of 3.8.

**WITH HONORS:** The designation of Honors is placed on the transcript and diploma of the graduate who has achieved an overall GPA of 3.5.

**PRESIDENT'S SCHOLAR:** The President's Scholar is an academic honor for graduates who have achieved an overall GPA of 3.5 while completing the Honors Program requirements. All letter grades must be C or better. The President's Scholar designation is placed on the transcripts and the diplomas of qualifying graduates. President's Scholars are awarded with a large medallion showing the lamp of knowledge and suspended by a blue and gold ribbon.

**DEPARTMENTAL HONORS:** Departmental Honors are awarded to students who do outstanding work in their departments. Eligibility is determined by inclusion in the honors categories listed above.

**COMPLETION OF THE SCC HONORS PROGRAM:** Students who complete the Honors Program must have maintained a minimum cumulative GPA of 3.0, successfully completed a minimum of 6 honors courses, and enrolled in at least two honors courses per year. Completion of the program qualifies the student to participate in honors transfer agreements with 17 four-year institutions: California State Polytechnical University, Pomona; California State University, Fullerton; California State University, San Diego; California State University, Stanislaus; Chapman University; La Sierra University; Loyola Marymount University; Occidental College; Pacific University; Pitzer College; Pomona College; San Diego State University; University of California, Irvine; University of California, Los Angeles; University of California, Riverside; University of California, Santa Cruz; Whitman College. A blue and gold cord distinguishes students who have completed the Santiago Canyon College Honors Program.

**PHI THETA KAPPA (PTK):** Phi Theta Kappa is an international honor society and the community college counterpart of the four-year Phi Beta Kappa honor society. Induction into this society is a high honor for community college students. To be invited to join Phi Theta Kappa, a student must have completed at least 12 semester hours of transferable coursework with a 3.0 GPA and must have maintained that same GPA or higher in all other college work with no grade lower than a C. Santiago Canyon College Phi Theta Kappa members are designated by a gold stole.

**PSI BETA:** Psi Beta is the national honor society in psychology for community and junior colleges. It is the first two-year college honor society approved for membership in the Association of College Honor Societies, which regulates membership requirements. The mission of Psi Beta is professional development of psychology students through promotion and recognition of excellence in scholarship, leadership, research, and community service. Members must have completed one psychology course with a B or better and an overall 3.2 GPA to join.

**SIGMA CHI ETA (SCH):** Sigma Chi Eta is the official community college honor society of the National Communication Association (NCA). To be invited to join Sigma Chi Eta, a student must have completed 20 semester hours, at least three communication courses totaling 9 semester hours, have a cumulative GPA of at least 3.0; have a communication studies GPA of at least 3.25; be in good standing at the college; and, display commitment to the field of communication. Santiago Canyon College Sigma Chi Eta members are designated by red and white cords.
