schedule of classes **SUMMER 2017**

Message from the President

Dear Students:

Summer is a good time to work toward your educational goals at Santiago Canyon College. The SCC summer schedule offers courses designed to help you attain those goals in a welcoming and supportive campus environment with excellent student services.

SCC can help you chart your course whether you are working to complete your associate's degree or certificate, transfer to a four-year university, or gain skills for the workplace. Attending SCC empowers each student to seek opportunities they deserve and desire right here, right now. SCC believes that what its students seek later in life is just as important as what they choose today. That is why SCC celebrates what happens here—every day an opportunity, we never pass up.

Make the most of your summer at SCC.
