Schedule of Classes

SUMMER 2026

Message from the President

At Santiago Canyon College, your success is the center of our work. Whether you are continuing your academic journey or beginning it for the first time, you are now part of a community deeply committed to supporting you, both inside and outside the classroom.

We encourage you to take full advantage of the many resources available to you, in person and online. From counseling and academic support to student life and leadership opportunities, our faculty and staff are here to walk alongside you and help you stay on track toward achieving your educational and career goals.

Santiago Canyon College is proud to be ranked #1 among community colleges in Orange County for the third consecutive year, #7 in California, and #19 in the nation. In addition, SCC is ranked #31 among 406 Hispanic-Serving Institutions nationwide. These recognitions reflect our unwavering commitment to academic excellence, equity, and student achievement.

At SCC, what happens here matters. We recognize that each student brings unique strengths, experiences, and aspirations. Our responsibility is to create an environment where you feel supported, challenged, and empowered to reach your fullest potential. Your success is our shared success.

If you need guidance, academic support, or simply a place to connect, we are here. Stay engaged. Ask questions. Seek out opportunities. Lean into the resources designed for you.

We are proud that you have chosen Santiago Canyon College. Together, we will continue to grow, achieve, and soar.

Dr. Jeannie G. Kim
President, Santiago Canyon College

CHILD DEVELOPMENT (CDEV)
CDEV 107, CHILD GROWTH AND DEVELOPMENT (DS1)
3.0 UNITS

This introductory course examines the interactions between maturational processes and environmental factors and the major physical, psychosocial, and cognitive/language developmental milestones for children, both typical and atypical, from conception through adolescence. While studying developmental theory and investigative research methodologies, students will observe children, evaluate individual differences, and analyze characteristics of development at various stages. Field-based assignments may be required. No credit for students who have taken Psychology 157. A negative TB test result and state-mandated immunizations are required for some fieldwork assignments and certificate completion.

MATHEMATICS (MATH)

MATH 080A, INTEGRATED MATHEMATICS I 3.0 UNITS

The fundamental purpose of Integrated Math I is to formalize and extend the mathematics that students learned in prior mathematics courses. The critical areas, organized into units, deepen and extend understanding of linear relationships, in part by contrasting them with exponential phenomena, and in part by applying linear models to data that exhibit a linear trend. Integrated Math I uses properties and theorems involving congruent figures to deepen and extend understanding of geometric knowledge from prior grades. The final unit in the course ties together the algebraic and geometric ideas studied. The Mathematical Practice Standards apply throughout each course and, together with the content standards, prescribe that students experience mathematics as a coherent, useful, and logical subject that makes use of their ability to make sense of problem situations. This course is intended for dual enrollment students seeking to enhance their preparation for college mathematics.

Prerequisite: Recommendation from qualifying profile from the Mathematics placement process

MATH 080C, INTEGRATED MATHEMATICS III 5.0 UNITS

In Integrated Math III, students integrate and apply the mathematics they have learned from their earlier courses. This course includes standards from the conceptual categories of Number and Quantity, Algebra, Functions, Geometry, and Statistics and Probability. The Standards for Mathematical Practice complement the content standards so that students increasingly engage with the subject matter as they grow in mathematical maturity and expertise. This course is intended for dual enrollment students seeking to enhance their preparation for college mathematics.

NONDISCRIMINATION POLICY

The Rancho Santiago Community College District is committed to equal opportunity in educational programs, employment, and all access to institutional programs and activities.

The District, and each individual who represents the District, shall provide access to its services, classes, and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics. Inquiries regarding compliance and/or grievance procedures may be directed to District's Title IX Officer and/or Section 504/ADA Coordinator, 2323 N. Broadway, Santa Ana, CA 92706, 714-480-7490.
