By signing or typing my name below I am indicating that I understand that any academic work alleviated through Academic Renewal does not remove substandard grades from my transcript. I am aware that grades are noted and subtracted from the grade point average (GPA) and that all grades will remain legible, maintaining a true and complete record. I acknowledge that any alleviated coursework may not be treated similarly by other educational institutions outside of the Rancho Santiago Community College District (RSCCD.) The parties agree that this form may be electronically signed. The parties agree that the electronic signatures appearing on this form are the same as handwritten signatures for the purposes of validity, enforceability, and admissibility. I confirm that all of the information I have presented below is true and accurate. I understand that all decisions are final.
