### IMPORTANT NOTE:

- If a class has a **waitlist**, you will be placed on the waitlist. If a class is **full**, you will have to find a different section.
- High school students must meet all course prerequisites and necessary qualifications before registering for the course designated on their form.
- Please go to [sccollege.edu](https://sccollege.edu) & click on [Self-Service](#) to read the course description and ensure you are eligible for a class!
- If a course has a prerequisite that you need to clear, please **email** us your unofficial high school transcripts and /or AP scores.
