COMMENCEMENT

Pomp and Circumstance

Welcome **Christopher T. Sweeten**
Vice President, Santiago Canyon College

National Anthem **Elena Robinson**
Santiago Canyon College Student

Introductions **Christopher T. Sweeten**

Greetings from the President **Enrique Perez**
Acting President, Santiago Canyon College

Greetings from the Chancellor..... **Marvin Martinez**
Chancellor, Rancho Santiago Community College District

Greetings from the Board of Trustees **Phillip E. Yarbrough**
President, Rancho Santiago Community College District Board of Trustees

School of Continuing Education Student's Address..... **Laura Moncada**
Introduced by Larisa Sergeyeva, Ed.D.
Vice President, Continuing Education

Valedictorian **Jeno Jorgensen**
Introduced by Dr. Jason Parks
Vice President, Academic Affairs

Faculty Speaker **Jeffery Wada**
Professor of Chemistry
Introduced by Tara Kubicka-Miller
Professor of Communications and Academic Senate President

Faculty Excellence Award **Tara Kubicka-Miller**
Professor of Communications
Introduced by Dr. Jason Parks

Distinguished Classified Award **Rosie Gonzalez**
EOPS Student Services Coordinator
Introduced by Christopher T. Sweeten
Vice President, Student Services

Dean R. Strenger Award Recipient **Valerie Lopez & Jonatan Basilio**
Introduced by Christopher T. Sweeten
Vice President, Student Services

Presentation of Classes and Conferring of Degrees & Diplomas **Enrique Perez & Tara Kubicka-Miller**

Readers **Michelle Ford**
Yuri Betancourt
Rosa Salazar de la Torre
Lili Puailoa
Jose Rendon Villegas

Sign Language Interpreters **Lisa Shiba & Ruth M. Rodriguez**

Concluding Remarks **Christopher T. Sweeten**
Audience will remain seated for the recessional.

CEREMONIA DE GRADUACIÓN

Bienvenida	Christopher T. Sweeten <i>Vicepresidente del Colegio Santiago Canyon</i>
Himno nacional	Elena Robinson <i>Estudiante del Colegio Santiago Canyon</i>
Presentaciones	Christopher T. Sweeten
Saludo del Presidente	Enrique Perez
Saludo del Canciller	Marvin Martínez <i>Canciller del distrito de colegios comunitarios Rancho Santiago</i>
Saludo del consejo directivo	Phillip E. Yarbrough <i>Presidente del consejo directivo de RSCCD</i>
Discurso de estudiante de la Escuela de Educación Continua	Laura Moncada Presentado por la Larisa Sergeyeva, Ed.D.
Graduado con Honores	Jeno Jorgensen Presentado por el Dr. Jason Parks
Vocero del Profesorado	Jeffery Wada Presentado por el Tara Kubicka-Miller
Galardón a la Excelencia Docente	Tara Kubicka-Miller Presentado por el Dr. Jason Parks
Galardón al Empleado Distinguido	Rosie Gonzalez Presentado por la Christopher T. Sweeten
Galardón Decano R. Strenger	Valerie Lopez & Jonatan Basilio Presentado por el Christopher T. Sweeten
Presentación de clases y confirmación de diplomas	Enrique Perez & Tara Kubicka-Miller
Lectores	Michelle Ford Yuri Betancourt Rosa Salazar de la Torre Lili Puailoa Jose Rendon Villegas
Intérpretes de lenguaje de señas	Lisa Shiba & Ruth M. Rodriguez
Comentarios finales	Christopher T. Sweeten

La audiencia deberá permanecer sentada en el receso

HISTORY OF SANTIAGO CANYON COLLEGE

Like many California Community Colleges, Santiago Canyon College grew out of a need to serve members of a growing community. Santiago Canyon College's journey began in 1971 after the Orange Unified School District joined with the Santa Ana Unified School District to create the Rancho Santiago Community College District. Later in that year, supporting their vision for higher education in their community, residents of the City of Orange voted to levy a self-imposed tax to purchase the original 30 acres of land in East Orange that would ultimately become the foundation for Santiago Canyon College.

By 1985, the Rancho Santiago Community College District (RSCCD) developed the land in East Orange to create the Orange Campus. As the second campus in the Rancho Santiago Community College district, the Orange Campus' first semester saw more than 2,500 eager students take a variety of general education, transfer, and vocational courses. Then, from 1985 to 1996, the Orange Campus experienced tremendous growth as the student population more than doubled. As a result of this veritable growth, the Rancho Santiago Community College District Board of Trustees unanimously voted to change the name of the Orange Campus to Santiago Canyon College and, therefore, created a multi-college structure for the Rancho Santiago Community College District. SCC was independently accredited in 2000.

In addition to Santiago Canyon College's multiple offerings, the campus landscape has also evolved so as to better meet the changing needs of students and community members. In order to provide students and the surrounding community with the space to embrace their life-long educational pursuits, Santiago Canyon College's grounds have grown from its earlier 30 acres to 82 acres. In November, 2002, voters in the college district voted to approve measure E, a \$337 million bond measure to provide for renovation and new construction at both Santiago Canyon and Santa Ana colleges.

The campus has undergone a dramatic physical transformation. Santiago Canyon College has developed its building inventory to 271,138 gross square feet including a state-of-the-art Science Center, Humanities Building, Gymnasium, Swimming Pool, SCC Campus Safety Headquarters, and Maintenance and Operations Facility. The College continues to improve, expand, and maintain parking, circulation, and athletic facilities to best serve students.

Santiago Canyon College has taken root in its community and, will undoubtedly be an even more integral contributor to the community's health and history for years to come. As such, Santiago Canyon College will continue to respond to and celebrate the changing demographics of its vibrant student body as well as of its diverse community. Indeed, Santiago Canyon College will seek to provide a place of learning where future generations have the opportunity to explore varied educational opportunities that enhance their professional and personal lives.

ACADEMIC REGALIA

Academic ceremonies with their gowns, mortarboards, tassels, hoods, and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know it today, have evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

In the United States, as a result of our English heritage, caps and gowns have been used since colonial times by the faculties of some universities and were generally standardized about 1895.

The bachelor's gown is plain with long pointed sleeves. The master's gown is slightly fuller in cut and has long oblong sleeves open at the wrist, with an arc cut in the front. The doctor's gown is fullest, with bell shaped sleeves. It is faced down the front with black velvet and has three bars of black velvet on the sleeve, although the velvet and bars may be in the color representing the bearer's academic field. Hoods are lined with the official colors of the college or university conferring the degree, and the trimming is velvet, reflecting the color of the bearer's academic field.

Apricot	Nursing
Aqua	Foreign Affairs, Optometry
Blue Violet	Architecture, City Planning, Regional Planning, Urban Planning

White	Arts, English, History, Humane Letters, Humanities, Letters, Sociology

GREETINGS FROM THE ACTING PRESIDENT

Santiago Canyon College proudly celebrates the Class of 2026! Today marks not only a significant academic milestone for our graduates but also a reflection of the strength, perseverance, and collective care that define our college community.

Each graduate crossing this stage carries a story shaped by resilience, determination, and hope. Along the way, families, friends, mentors, faculty, classified professionals, administrators, and fellow students helped create a network of support that reminded us of all that education is never accomplished alone. Every challenge met, every late night endured, and every goal achieved reflects the spirit of what it means to be a Hawk.

At Santiago Canyon College, we believe education is transformative. It opens doors, deepens understanding, and empowers individuals to shape their communities and the world around them. In a time of constant change, where innovation and human connection continue to intersect in new ways, our graduates leave SCC prepared not only with knowledge and skills but with the capacity to lead with empathy, creativity, and purpose.

Today, our graduates join a proud and growing network of more than 29,000 SCC alumni whose lives and contributions continue to shape industries, communities, and future generations. Whether transferring to universities, entering careers, serving their communities, or continuing personal journeys of growth, the Class of 2026 carries forward the values of collaboration, equity, integrity, and compassion.

To the Class of 2026: May you continue to move boldly toward your aspirations, remain grounded in the relationships and experiences that brought you here, and never underestimate the impact you are capable of making in the lives of others. Wherever your path leads, Santiago Canyon College will always be part of your story, and you will always have a home within the Hawk community.

What Happens Here Matters.

Enrique Perez, Acting President

VALEDICTORIAN

Santiago Canyon College (SCC) selects its valedictorian based on several criteria: grade point average (GPA), leadership, community service, honors and awards. First, all students selected for consideration have earned the highest GPAs among SCC students. The selection committee then evaluates each candidate for on-campus leadership, community service, honors and awards.

JENO JORGENSEN

Jeno Jorgensen, SCC's 2026 Valedictorian, brings to this accomplishment the experience and perspective of a veteran, a husband, a father, and a working professional. He developed early the discipline that has defined his path through military leadership, the private sector, and now academia. Mr. Jorgensen is graduating with two associate degrees, induction into the SALUTE National Veteran Honor Society, and selection as Valedictorian.

He has been an active presence in the Veteran Resource Center, a speaker at campus fundraising events, and an advocate for community college funding in meetings with California legislators in Sacramento. Alongside full-time studies, he works at a K-8 school, where he coaches robotics, flag football, and soccer, serves as a CSEA union representative, and founded a PTSA Dad's Club that has raised more than \$5,000 for the school community.

Mr. Jorgensen will continue his education at California State University, Fullerton, with the goal of transforming veteran care and mental health services through expanded resources, dedicated therapy centers, and educational programs designed to ensure that those who served are supported long after they return home.

SALUTATORIAN: CARMEN JUDITH MARTINEZ

"They say the best bonfires require the most seasoned firewood." For Carmen Judith Martinez, growing up in a bustling household became the preparation she would one day rely on. As she reflects on her journey, those early years became the foundation for the strength needed to reach this moment. SCC became the spark that finally caught, transforming years of preparation into a bonfire that now lights the way for her four daughters and her future.

Carmen excelled at SCC, earning a 4.0 GPA, making the Dean's Honor List every semester since Fall 2024, and being named Salutatorian for the Class of 2026. She also maintained her professional credentials as Certified Professional Coder and Certified Risk Adjustment Coder from AAPC. Inspired by her daughters' encouragement and support, Carmen returned to school after 21 years. She expresses deep gratitude to Professors and SCC-Staff because they contributed to her transformation. Carmen is especially grateful to her mother, for teaching her the true meaning of strength.

Carmen is transferring to UC Irvine to major in Public Health Policy and address healthcare disparities.

"Talent is universal, but opportunity is not." To anyone who feels overlooked: never doubt your talent. Your opportunity is coming, and when it does, be ready because it will be the ride of your life.

CONTINUING EDUCATION EXEMPLARY HIGH SCHOOL GRADUATE SPEAKER

The Santiago Canyon College Continuing Education High School Speaker is selected by faculty and staff who identify students who have not only excelled in the classroom, but have shown grit and determination in obtaining their diploma. The obstacles they have overcome are many, but do not stop these students from completing their academic goals.

LAURA MONCADA

Laura Moncada's journey to earning her high school diploma is a story of perseverance, sacrifice, and resilience. As this year's student commencement speaker and exemplary student for the Santiago Canyon College Division of Continuing Education, Laura represents the strength and determination of learners who refuse to give up on their dreams, no matter how many obstacles stand in their way.

Growing up in a household where both of her parents are deaf, Laura took on responsibilities at a very young age. She became a voice for her family, helping communicate with the outside world while also contributing financially during difficult times. Faced with poverty and the pressure to support those she loved, she made the difficult decision to leave school twenty five years ago. Life continued to place challenges in her path. Laura became a young mother and later balanced work, caregiving, and family responsibilities while raising three daughters alongside her husband. At the same time, she also became a primary caregiver for her mother, who requires extensive support because of ongoing health conditions. One of her daughters has complex medical needs, adding even more responsibility to an already demanding life. For many years, Laura placed her own education and personal goals aside in order to care for everyone else.

Even through years of sacrifice, Laura never gave up on herself. She carried the hope of one day finishing what she started. Returning to school while balancing work, caregiving, and family responsibilities was not easy, but the flexibility of the online classes and the opportunity to attend free noncredit courses through the Santiago Canyon College Division of Continuing Education made it possible for her to pursue her education again. Through determination and persistence, Laura successfully completed her coursework while continuing to care for the people who depended on her.

Laura's educational journey reflects courage, persistence, and the belief that it is never too late to rewrite your story. Her experience as a learner has inspired not only her classmates, but also her family and community.

Now, with her high school diploma in hand, Laura is preparing to begin pre-nursing coursework at Santiago Canyon College with the goal of becoming a registered nurse. Her passion for caring for others, shaped by a lifetime of service to her family, continues to guide her future path.

Laura's story is a powerful reminder that success is not defined by how quickly you reach your goals, but by the courage to keep going.

DISTINGUISHED FULL-TIME CLASSIFIED PROFESSIONAL AWARD

This recognition is dedicated to the Santiago Canyon College (SCC) Classified employee who best demonstrates an excellent work performance, professionalism, dedication, consideration of others and inspiration to others to excel. Administrators, faculty and staff nominate candidates based upon this criteria and select a recipient who has exemplified the qualities sought for the award.

ROSIE GONZALEZ

Rosie Gonzalez serves as the Interim Student Services Coordinator for EOPS, CARE, and CalWORKs at Santiago Canyon College, where she has dedicated twenty-five years to supporting first-generation college students, student parents, and underserved communities in higher education.

Rosie's connection to Santiago Canyon College is deeply personal. A proud first-generation college student, and student parent, she began her own higher education journey at SCC and first joined the college as a student assistant. What started as a way to balance work and school while pursuing her education grew into a meaningful career dedicated to empowering students, expanding opportunities, and helping others realize the life-changing impact of higher education.

Over the past two and a half decades, Rosie has witnessed the remarkable resilience and achievements of the students she serves. She has seen former EOPS, CARE, and CalWORKs students go on to become doctors, lawyers, engineers, educators, and student support professionals. One of the greatest rewards of her work is seeing those students return to SCC to share how these programs helped them persist through challenges and ultimately succeed. Their stories continue to inspire Rosie's commitment to meeting students with empathy, encouragement, and hope.

Rosie's dedication to lifelong learning continues to guide both her professional and personal journey. She recently earned her Master's degree in Higher Education Administration with honors from National University and will proudly participate in commencement ceremonies in May 2026.

Rosie is also a proud mother of two sons, both alumni of Santiago Canyon College, making SCC not only the place where she built her career, but also a community that has profoundly shaped her family's story.

FACULTY EXCELLENCE AWARD

The Faculty Excellence Award is the highest honor bestowed by colleagues upon a faculty member of Santiago Canyon College (SCC). Nomination criteria include service to the college, commitment to student success, curriculum development and academic leadership. Students and faculty nominate candidates, and final selection is determined by faculty vote.

TARA KUBICKA-MILLER

I am deeply honored to be the recipient of the Faculty Excellence Award at SCC. This recognition is especially meaningful to me as I reflect on my 22nd year as a full-time professor, a journey that began as an adjunct and has grown into a career that I am deeply proud of. Santiago Canyon College has long been more than just my workplace. It has been a second home. I have had the unique privilege of working alongside my husband and being part of a community that helped shape not only my professional life, but my family life as well. Colleagues like Kathy McCann in the Child Development Center quite literally helped raise my children, and that kind of care, commitment, and connection is what makes this institution so special to me.

At the heart of my professional life is my work in the classroom. Teaching is my happy place. It is where everything comes together for me. Teaching communication skills that help students strengthen personal relationships, build confidence, build bridges, and express their voice is simply a gift and one I do not take for granted. Every day I am reminded of the power of communication to change how students see themselves and how they engage with the world around them.

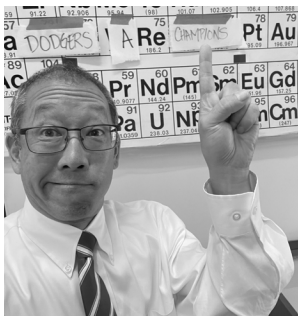

Beyond the classroom, I have had the honor of serving as Chair of the Communication Department for the past ten years. I also had the privilege of coaching the Speech and Debate Team for fifteen years, serving on the Curriculum and Instruction Council for ten years and serving on the Honors Program Committee for six years. I was also one of the leads in developing the DECIDE (Developing Equitable Curriculum and Instructional Design) program and SCC's Faculty ExCITE (Exceptional Curricular Innovations and Teaching Enhancements) Award, which recognizes and celebrates the innovative work of our faculty. More recently my service extended to the Academic Senate, where I have served on the Executive Board for five years and was recently re-elected to a second term as SCC's Academic Senate President.

It is truly a privilege to serve this campus, and I am grateful every day to be part of the SCC community. To the graduates celebrating today: watching students like you find your voice, step into your confidence, and walk across this stage is exactly why this work matters. Congratulations, and know that this community will always be rooting for you.

FACULTY SPEAKER

The faculty speaker is selected by a vote of the graduating class. Criteria used to select the speaker include academic excellence, ability to motivate students, and a commitment to student success.

JEFFREY WADA

Boring. Just plain boring.

Born & raised many moons ago in Los Angeles.

Boring.

My early life was defined by a series of character-building tragedies. There was a brush fire canceling my 6th grade camping trip, being on a youth basketball team that won only one game in six seasons, Reggie Jackson hitting three homers in game 6 of the 1977 World Series against the Dodgers, and the Steelers beating the Rams in Super Bowl XIV. Boring.

The most tragic was at one of my basketball games. When we were done with layup drills, I ripped off my sweatpants and got pumped up for the game. Then I realized that I forgot to put on my shorts. I was standing in front of the entire crowd in my Scooby-doo underwear. Boring? No. EPIC!

Number 4 out of six children, I learned to navigate & survive a noisy crowded house. During this time, I learned how to get my siblings in trouble while maintaining the facade as the good kid.

Graduated and did "ok" at Alhambra High School. Boring.

Somehow got into UC Irvine and finally found myself. Boring.

After graduating from UCI, I became a high school teacher. This was based on a stern 1 minute "talking to" with Organic Chemistry professor, Dr. Mare Taagepera.

I taught 18 great & boring years at Irvine High School before being recruited by Professor Morrie Barembaum. By "recruited," I mean he called me repeatedly until his suggestions became forceful mandates. If you find this biography boring, please direct all complaints to Professor Barembaum.

It's been a wonderfully boring 15 years at SCC.

Boring. Just plain boring.

I like boring. Boring is awesome!!!

ACADEMIC HONORS

ACADEMIC HONORS AT GRADUATION: Academic honors are awarded to students who do outstanding coursework leading to graduation from Santiago Canyon College. The graduate must have completed at least 30 units of coursework with the Rancho Santiago Community College District. A minimum of 18 units completed within RSCCD must be completed with letter grade of "C" or better.

WITH HIGHEST HONORS: The designation of Highest Honors is placed on the transcript and diploma of the graduate who has an overall GPA of 4.0.

WITH HIGH HONORS: The designation of High Honors is placed on the transcript and diploma of the graduate who has achieved an overall GPA of 3.8.

WITH HONORS: The designation of Honors is placed on the transcript and diploma of the graduate who has achieved an overall GPA of 3.5.

PRESIDENT'S SCHOLAR: The President's Scholar is an academic honor for graduates who have achieved an overall GPA of 3.5 while completing the Honors Program requirements. All letter grades must be C or better. The President's Scholar designation is placed on the transcripts and the diplomas of qualifying graduates. President's Scholars are awarded with a large medallion showing the lamp of knowledge and suspended by a blue and gold ribbon.

DEPARTMENTAL HONORS: Departmental Honors are awarded to students who do outstanding work in their departments. Eligibility is determined by inclusion in the honors categories listed above.

COMPLETION OF THE SCC HONORS PROGRAM: Students who complete the Honors Program must have maintained a minimum cumulative GPA of 3.0, successfully completed a minimum of 6 honors courses, and enrolled in at least two honors courses per year. Completion of the program qualifies the student to participate in honors transfer agreements with 17 four-year institutions: California State Polytechnical University, Pomona; California State University, Fullerton; California State University, San Diego; California State University, Stanislaus; Chapman University; La Sierra University; Loyola Marymount University; Occidental College; Pacific University; Pitzer College; Pomona College; San Diego State University; University of California, Irvine; University of California, Los Angeles; University of California, Riverside; University of California, Santa Cruz; Whitman College. A blue and gold cord distinguishes students who have completed the Santiago Canyon College Honors Program.

PHI THETA KAPPA (PTK): Phi Theta Kappa is an international honor society and the community college counterpart of the four-year Phi Beta Kappa honor society. Induction into this society is a high honor for community college students. To be invited to join Phi Theta Kappa, a student must have completed at least 12 semester hours of transferable coursework with a 3.0 GPA and must have maintained that same GPA or higher in all other college work with no grade lower than a C. Santiago Canyon College Phi Theta Kappa members are designated by a gold stole.

PSI BETA: Psi Beta is the national honor society in psychology for community and junior colleges. It is the first two-year college honor society approved for membership in the Association of College Honor Societies, which regulates membership requirements. The mission of Psi Beta is professional development of psychology students through promotion and recognition of excellence in scholarship, leadership, research, and community service. Members must have completed one psychology course with a B or better and an overall 3.2 GPA to join.

SIGMA CHI ETA (SCH): Sigma Chi Eta is the official community college honor society of the National Communication Association (NCA). To be invited to join Sigma Chi Eta, a student must have completed 20 semester hours, at least three communication courses totaling 9 semester hours, have a cumulative GPA of at least 3.0; have a communication studies GPA of at least 3.25; be in good standing at the college; and, display commitment to the field of communication. Santiago Canyon College Sigma Chi Eta members are designated by red and white cords.
