

CHANGE OF ADDRESS

Students are required to inform the International Student Office within 10 business days of any updates to the following information: foreign address, U.S. address, email, and phone number. These addresses refers to the places you live—do not use addresses of companies or friends/family you do not live with.
The International Student Program updates this information directly to SEVIS (Student Exchange Visitor Information System). Students must submit updated information to both the office and WebAdvisor—the International Student Program does not report to SEVIS changes made in WebAdvisor.
Students may submit this form in-person or via email.
